To support the overall mission of the University by providing a nationally competitive intercollegiate athletics program that attracts, nurtures and graduates student-athletes who, under the guidance of a high-quality staff, pursue excellence in their respective sports, while representing Baylor with character and integrity. Consistent with the Christian values of the University, the department will carry out this mission in a way that reflects fair and equitable opportunities for all student-athletes and staff.

Baylor University is an equal opportunity institution whose programs, services, activities and operations are without discrimination as to sex, color, or national origin, and are not opposed to qualified handicapped persons.

MEDIA INFORMATION

DAVE CAMPBELL MEDIA CENTER

The Dave Campbell Media Center, located on the fifth level of the Floyd Casey Stadium skybox complex, opens three hours prior to game time. The working press box and TV booth are located in the center of the fifth floor, while the radio and coaches booths are at the far ends.

Meals will be served two hours before kickoff. Media credentials are required for admittance to the press box and for meals.

Game notes, programs and media guides are provided prior to the game. Play-by-play, stats and quotes are provided during and after the game.

Several "0-plus" telephone lines are available on a first-come, first-served basis in the working media area and complimentary wireless Internet is also available. On game day, Baylor telecommunications representatives will be on hand to handle any last-minute problems.

SIDELINES

Baylor follows guidelines set forth by the NCAA Public Relations Committee, the NCAA Football Rules Committee, the American Football Coaches Association and the National Press Photographers Association. Photographers are not permitted to shoot between the 25-yard lines and must have credentials visible at all times.

In an effort to insure the best possible working conditions for media photographers, uniformed security personnel will be patrolling the sidelines. Anyone holding a media pass who is not actively involved in coverage of the game will be escorted from the sideline. Similar procedures will be in effect in the press box.

WEEKLY PRESS LUNCHEON

Head coach Art Briles and requested football student-athletes meet with the media each Tuesday preceding a game in Floyd Casey Stadium's Galloway Suite (third floor of the North end zone building). Lunch is served at noon, followed by interviews.

Requests for specific interviews with student-athletes or assistant coaches should be made to the Media Relations Office by **4 p.m. Sunday** preceding the media luncheon.

ADDITIONAL INTERVIEWS

In addition to Tuesday's media luncheon, Baylor student-athletes (Tue., Wed.) and coaches (Tue., Wed., Thu.) will be available for in-person or phone interviews before practice. Requests should be directed to **Heath Nielsen.**

All interview requests must be coordinated through the Athletic Media Relations Office with at least one day advance notice. Student-athlete's phone numbers will not be given out.

Coaches and student-athletes are not available for interviews the day before a game or on game day.

SUNDAY AVAILABILITY

Baylor head coach Art Briles will hold a media briefing in his office each Sunday at 2:15 p.m. CT during the season.

Media members wishing to participate via phone may do so by contacting a member of the Baylor Athletic Media Relations staff. Excerpts and Sunday notes will be available on Baylor's official website, www.BaylorBears.com, by 6 p.m. CT each week.

POSTGAME INTERVIEWS

The Baylor locker room is located below the north end zone at Floyd Casey Stadium. The visiting locker room is located beneath the east stands.

Baylor coach Art Briles and requested players will be available in the team meeting room approximately 10 minutes following the game. Baylor's locker room will remain closed following games.

Baylor University is committed to a policy of equal access for both male and female reporters and photographers.

The visiting SID will establish visiting locker room admittance policies.

BIG 12 TELECONFERENCE

In conjunction with the Big 12 Conference, Baylor head coach Art Briles will participate in the league's weekly teleconference. The teleconferences will be conducted each Monday from Aug. 25 until Dec. 1 from 10 a.m. until noon CT. Briles' scheduled time is 11 a.m. to 11:10 a.m. CT each Monday.

Media representatives wishing to participate in the teleconference should contact the league communications staff for further details. A replay of the briefing will be available after 4 p.m. CT.

PRACTICE COVERAGE

All Baylor football practices are open to the media and public. As a general rule, video and still photographers may shoot the entire pre-practice (stretching period) and the first 20 minutes of actual practice time. At no time should photographers shoot from the end zone.

Following each session, head coach Art Briles will conduct a group interview with the media. A member of the AMR staff will be on hand at every practice to assist the media.

MEDIA CREDENTIALS

Working media and photographer credentials for Baylor's 2008 home games against Wake Forest, Northwestern State, Washington State, Oklahoma, Iowa State, Missouri and Texas A&M will be handled by Associate AD for External Affairs Nick Joos.

Requests should be made in writing by sports editors or sports directors of accredited media outlets on company letterhead. Requests should be made as early as possible and should be **limited to working media only. Requests made within seven days of the game may not be considered.**

Send credential requests to **Nick Joos**, Associate AD/External Affairs: nicholas_joos@baylor.edu; fax 254-710-1369; Baylor Athletic Department, 150 Bear Run, Waco, TX 76711.

Credentials will be mailed to the requesting individual or organization if time permits or sent to the visiting school's sports information director for distribution. Credentials can also be picked up in the Media Relations Office located at Floyd Casey Stadium or on game day at media will call in the elevator lobby of the Floyd Casey Stadium press box.

Media parking at Floyd Casey Stadium is available on a limited basis on the west side of the stadium. Requests for parking passes should be made well in advance to the Media Relations Office.

UNAUTHORIZED USE OF MEDIA CREDENTIALS

Credentials will be issued to working media only. Media credentials are not transferable and use by anyone other than members of the working media is unauthorized. Media credentials used in an unauthorized manner will be revoked immediately. News organizations allowing unauthorized individuals to use credentials will have their credentials revoked for the remainder of the year.

WEBSITES & NEW MEDIA

Web-based media sponsoring "message boards" or "chat rooms" that allow posting of anonymous information or rumors are **ineligible** for credentials or access to media functions. If a news-gathering medium has an online site that sponsors anonymous forums, they may continue to request credentials under their traditional medium (newspaper, magazine, radio or television) but will not be granted additional passes or access for online staff.

Any online service that places emphasis on the recruitment of potential student-athletes will not qualify for credentials.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling, or to "freelance" or "fan-based" sites that are not affiliated with a legitimate news gathering organization.

Live, real-time updates of Baylor home games are the property of Baylor University and unauthorized transmission of such is not permitted.

BIG 12 CONFERENCE

The Big 12 Conference has established a consistent level of national success on the field and in the classroom as it enters its 13th season in 2008-09.

Since it began play in 1996-97, the Conference can boast 31 team crowns and over 385 individual NCAA Championships. The success continued during 2007-08 as Kansas captured the Big 12's first national title in men's basketball, while the league added 31 individual crowns.

Over the past four seasons a total of 12 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including each of the past 11 seasons.

The Big 12 leads all conferences with five appearances in Bowl Championship Series title games. League squads have played for the football national championship five times in the last nine years with berths in 14 BCS games overall, including two in 2007. The Big 12 led all conferences with four teams ranked in the Top 10 in the final national polls a season ago. In addition, an all-time high eight league players earned consensus All-America recognition in 2007, more than any other conference.

In basketball, nine men's and women's teams have advanced to their respective Final Fours in the past seven seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences. The six men's Final Four participants since 2002 is more than any conference. Numerous national honors have been won by basketball student-athletes during the league's history, with Michael Beasley (Kansas State), D.J. Augustin (Texas) and Courtney Paris (Oklahoma) the most recent to garner accolades as consensus All-America in 2007-08.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Big 12 student-athletes also do well in garnering national academic recognition. Sarah Pavan (Nebraska) was named Academic All-America of the Year in volleyball the past two seasons by ESPN The Magazine and College Sports Information Directors of America with a 4.0 grade-point average in Biochemistry. She also won the national academic honor presented for all sports in 2006-07 and was named recipient of the prestigious 2006-07 Honda-Broderick Award as Collegiate Woman Athlete of the Year. She is the first athlete since the Big 12 was formed to earn the accolade. In addition to his athletic accomplishments, Augustin was an Academic All-America First Team choice. In its history, the conference can boast of over 300 academic honorees, averaging more than 25 each season.

The Big 12 can boast of other stories that combine on and off the field success. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008, given to an outstanding female college athlete who overcomes adversity to excel in her sport. She was diagnosed with a cancerous tumor in 2007, but rebounded to win All-America honors at the 2008 NCAA Indoor Track & Field Championships.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons.

At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsperson of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each academic year. A total of 201 scholars have received over $1.2 million in postgraduate financial aid through the first 12 years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming, tennis and volleyball.

The conference is made up of 12 institutions that have shared many traditional rivalries throughout their histories. Member schools include - Baylor, Colorado, Iowa State, Kansas, Kansas State, Missouri, Nebraska, Oklahoma, Oklahoma State, Texas, Texas A&M and Texas Tech.

The institutions created a league that encompasses seven states, over 45 million people and television households in 18 of the top 100 markets within its geographic footprint.

The conference conducts championships for 20 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the prestigious Bowl Championship Series.

In the last several years the Big 12 has increased its bowl agreements and expanded television opportunities for all sports through contracts with ABC/ESPN, FSN and CBS College Sports. Most recently, the league renewed and expanded its multi-year arrangement with ABC/ESPN, Inc. The new contract begins in 2008-09.

BAYLOR TRADITION

THE BEAR NICKNAME & MASCOT

Baylor began intercollegiate athletic competition in the 1890s, but the University was without an official mascot until 1914. That year a student body vote selected Bears over such nominations as the buffalo, antelope, frog and ferret.

It was not until the 1920s that a real bear mascot came to the University. The first live bear, named Ted, made his first appearance at the 1917 Baylor-Texas A&M football game.

In 1974, the student body voted to name all the bears "Judge" followed by a surname in honor of the University's namesake, Judge R.E.B. Baylor. Baylor's current mascots are "Joy," named in honor of the wife of former president Herbert H. Reynolds, and "Lady" named after Sue Sloan, wife of former president Dr. Robert B. Sloan Jr.

The bears attend Baylor athletic events, schools, community centers and churches. The bears may also be seen at the Williams Bear Habitat, a Class 'C' Exhibitor Zoo located in the center of the Baylor campus.

GOLDEN WAVE BAND

In 1902, 17 students pooled their talents to become the Baylor Cadet Band. The following year, membership increased to 28 as the band, directed by Charles W. Parker, went under the auspices of the ROTC department. The band remained a part of Baylor's ROTC until the end of World War I, when the group reorganized and became known as the Baylor Bear Band.

The band became known as the Golden Wave after members first wore new golden-colored uniforms at the Baylor-SMU football game in 1928. The next year, Everett McCracken was appointed director and kicked off a new era of development for the band with a 10-day, 820-mile tour of Texas. During the next half century, the band gained national prominence and was featured in the Orange, Sugar, Gator, Bluebonnet and Cotton Bowls. The current Golden Wave Marching Band, directed by Barry Kraus, marches approximately 260 members.

"THAT GOOD OLD BAYLOR LINE"

The beginnings of Baylor's school song can be traced back to 1907, when student George Baines Rosborough penned an alternative set of lyrics to the waltz tune "In The Good Old Summertime.". In the fall of 1931, Enid Markham penned a new set of lyrics, which have become accepted as the University's school song:

That good old Baylor Line!
That good old Baylor Line!
We'll march forever down the years,
As long as stars shall shine.
We'll fling our Green and Gold afar
To light the ways of time,
And guide us as we onward go:
That good old Baylor Line!

"SIC 'EM BEARS" & THE "BEAR CLAW"

In 1960, Baylor's yell leaders introduced the "Bear Claw" hand signal — made by slightly curving all five fingers inward to form a claw — and the "Sic 'Em Bears" yell.

In addition to being used during the yell, the "Bear Claw" is held up during the performance of Baylor's school song, "That Good Old Baylor Line." Football players traditionally hold up their helmets during the playing of the school song.

THE BAYLOR LINE

The Baylor Line is a freshman spirit organization. Line members wear matching jerseys to home football games and sit in a block of seats in front of the Baylor cheerleaders. Baylor Line members leave the stands prior to kickoff to run the perimeter of the field and form a line for the team to enter before kickoff.

DAVE CAMPBELL

A 1950 cum laude graduate of Baylor University, Dave Campbell is truly a living legend in the world of sports journalism.

Best known for founding the extremely popular Texas Football preseason magazine in 1960, Campbell worked for 51 years at the Waco Tribune-Herald. In recent years Campbell edited the Baylor Bear Insider, the publication dedicated to Baylor Athletics.

Campbell is a member of the Texas High School Football, the Texas Sports and the Baylor Athletic halls of fame and the pressbox at Floyd Casey Stadium is named the Dave Campbell Media Center in his honor.

BAYLOR TRADITION

GRANT TEAFF

Perhaps no individual is as responsible for advancing the cause of Baylor football as legendary head coach Grant Teaff.

Teaff was hired to coach Baylor's program in 1972 when many people said the Bears should drop from the Division I ranks and he proceeded to put together one of the most distinguished coaching careers in history. Teaff finished his career 170-151-8 overall in 30 years as a head coach. He was 128-105-6 at Baylor, 83-74-4 in the Southwest Conference and 4-4 in bowl games.

The six-time SWC Coach of the Year and one-time National Coach of the Year coached 16 first-team All-Americans and 83 all-conference players. Teaff finished his career as the fourth-ranked SWC coach in league wins and the sixth-ranked SWC coach in overall victories.

Teaff currently heads the American Football Coaches Association as the organization's executive director.

HOMECOMING TRADITION

Baylor is believed to be among the first five schools nationally ever to celebrate homecoming along with Illinois, Northern Illinois, Indiana and Michigan. Baylor held its first homecoming in 1909 and became an annual event in 1930 when the name was changed from "Good Will Week" to Homecoming and brought under the direction of the Chamber.

THE IMMORTAL TEN

Among Baylor's many rich traditions is an event that has had a lasting impact on the University and its athletic department: the story of the Immortal Ten, one of America's first sports tragedies.

On Jan. 22, 1927, a bus carrying head coach Ralph Wolf's Bears squad to a basketball game at Texas was struck by a train in Round Rock, killing 10 of the 21-man traveling party. The Immortal Ten are honored each year during Homecoming, when freshmen hear the tragic story and participate in a candlelight remembrance ceremony.

In 2007 a monument was erected and dedicated on campus in Traditions Square to honor the fallen: Jack Castellaw, Merle Dudley, Sam Dillow, Ivey Foster, Bob Hailey, R.L. Hannah, Clyde "Abe" Kelly, W.E. Murray, James Walker and William Winchester.

MIKE SINGLETARY

One of the greatest players to ever don the Green and Gold was Mike Singletary. The eventual NFL Hall of Famer arrived at Baylor in 1977 with two goals: To earn a college degree and to become the greatest defensive player in school history. Four short years later, both goals were achieved.

Everyone who saw Singletary play agrees that he was college football's greatest middle linebacker playing in the late 1970s and early 1980s. He still holds school records for career tackles with 662 (second place is 370), single-season tackles with 232 (the next closest is 144) and single-game tackles (33).

Singletary was a three-time All-American and twice a consensus All-America selection. He was a two-time Davey O'Brien Award winner as the Southwest's best player and was voted to the FWAA All-Quarter Century All-America Team (1970-95). Singletary is a 1996 inductee in the National Football Foundation Hall of Fame and a 1998 inductee into the NFL Hall of Fame.

Singletary is currently the assistant head coach and linebackers coach for the San Francisco 49ers.

FRANK FALLON

Radio waves throughout the Baylor family fell silent in 2004 with the passing of the legendary Frank Fallon. Best known as the former "Voice of the Baylor Bears," Fallon served as the play-by-play announcer for Baylor football and basketball for 42 years. Fallon spent 20 years as the public address announcer and "Voice of the NCAA Final Four," as well as doing television play-by-play for Southwest Conference Basketball on NBC and ESPN.

THE MEDAL OF HONOR

Baylor University is believed to be the only school in America to have two former athletes win the Congressional Medal of Honor, the nation's highest military honor for bravery. Both men — Jack Lummus and John "Killer" Kane — won the award for service in World War II.

DEFENSIVE BACK GREATS

Highlighted by 1986 Jim Thorpe winner Thomas Everett, who was inducted into the College Football Hall of Fame in 2006, Baylor defensive backs have been a staple in the NFL Draft.

The following Baylor defensive backs have all gone on to play in the NFL: Jackie Allen, Willie Andrews, Gary Baxter, Robert Blackmon, Kirk Collins, Ray Crockett, Preston Davis, Chuck Dupre, Thomas Everett, Ron Francis, Austin Gonsoulin, Gary Green, Cedric Mack, Vann McElroy, Bo Metcalf, Mike Nelms, Adrian Robinson, Tyrone Smith, Johnny Thomas, Reyna Thompson, Vic Vines, Robert Williams, C.J. Wilson and Albert Witcher.

BAYLOR'S CHRISTIAN ATMOSPHERE

Baylor is affiliated with the Baptist General Convention of Texas, a cooperative association of autonomous Texas Baptist churches. All members of the University's Board of Regents are Baptist.

Baylor is concerned with the spiritual, moral and intellectual development of those who come within its sphere of influence. It is committed to a caring relationship among its students, staff and faculty — a caring that is characterized by understanding, forgiveness and respect for individuality. FLOYD CASEY STADIUM

The 2008 season marks Baylor's 59th year of football at the 50,000-seat Floyd Casey Stadium.

Originally named Baylor Stadium, the structure was built in 1950 after a bond sales program raised $1.5 million for construction costs. The first game played in the new stadium was Sept. 30, 1950, a 34-7 Baylor victory over Houston.

In 1989 the stadium was renamed Floyd Casey Stadium after longtime University supporter and trustee Carl B. Casey and his wife Thelma contributed $5 million of an $8 million renovation project in honor of his father Floyd (the name change was officially announced at halftime of the 1988 Homecoming game).

Enhancements continue to be made to improve the Bears' home stadium.

A new recruiting center, located on the stadium's northwest patio, opened in 2006, and a tribute to Baylor football, designed to enhance the Grant Teaff Plaza, which includes the Letterwinners Plaza and the "I Believe" Walkway, was unveiled.

The plaza, first opened in 2002, originally was located at the base of the press box on the west side of the stadium. The plaza has since been expanded to wrap completely around the stadium. The plaza's centerpiece is a statue honoring former Baylor head coach and College Football Hall of Fame member Grant Teaff, the program's winningest coach who led Baylor to two Southwest Conference titles.

Baylor unveiled a new synthetic turf playing surface, the Prestige System, in 2004 after six seasons of play on the natural SportGrass turf. From 1972 through 1997 Floyd Casey stadium featured an AstroTurf playing surface.

In 2002, Baylor added a 23-by-31-foot LED video screen in the south end zone. The project included the addition of a state-of-the-art sound system and new digital scoreboards in both end zones.

Baylor's locker room received a facelift in 2001, when the $2 million facility, the Big 12's largest, was completed.

A state-of-the-art luxury suite and pressbox was built on the stadium's west side in 1999. One year prior, the team meeting room area also underwent a complete remodeling.

The Carl and Thelma Casey Athletic Center, which houses departmental offices, locker rooms, training rooms, weight facilities, a video studio and meeting facilities, opened in 1991.

In 1990, new lights, expanded and improved restrooms, and new concession stands were completed.

An eight-year project to upgrade worn wooden bleacher seats to modern aluminum was completed in 1981.

During the 1970s, the beautiful and comfortable Letterman's Lounge was built on the stadium's west side with funds provided by former athletes. That facility received facelifts in both 1995 and 2006.

Prior to the building of Baylor Stadium in 1950, several playing sites were used by the Bears. Baylor's first football squad took the field in 1899, but no records are available to prove where it played. Old newspaper clippings and yearbook articles only indicate the first three seasons were played on an extremely rough field close to the school.

From 1902 to 1925, with the exception of 1906 when football was banned on campus because it was deemed too violent, the Bears played most of their games at Carroll Field, an on-campus facility (an unknown number of games were also played at the old Cotton Palace during this period).

The Bears played at the Cotton Palace from 1926-29 before returning to Carroll Field from 1930-35.

The team moved off the main campus for good in 1936 when it began calling the newly built Waco Stadium home.

Waco Stadium was renamed Municipal Stadium in 1942, and it was where Baylor played through 1949 except for a break from 1943-44 because of the war effort.

STRENGTH & CONDITIONING

Baylor's strength and conditioning program, under the direction of Kaz Kazadi, believes and relies upon fundamental principles of training which allow the collegiate athlete to attain and accomplish his "high performance" goals and objectives. Baylor's coaches and student-athletes dedicate themselves to the foundational disciplines emphasized in each program and training session by providing energy and enthusiasm through sound leadership to assure optimal gain.

This focus and commitment to strength and conditioning not only supplies a necessary foundation, but also assists Baylor's goal-oriented student-athletes in their collective final objective during competition — victory.

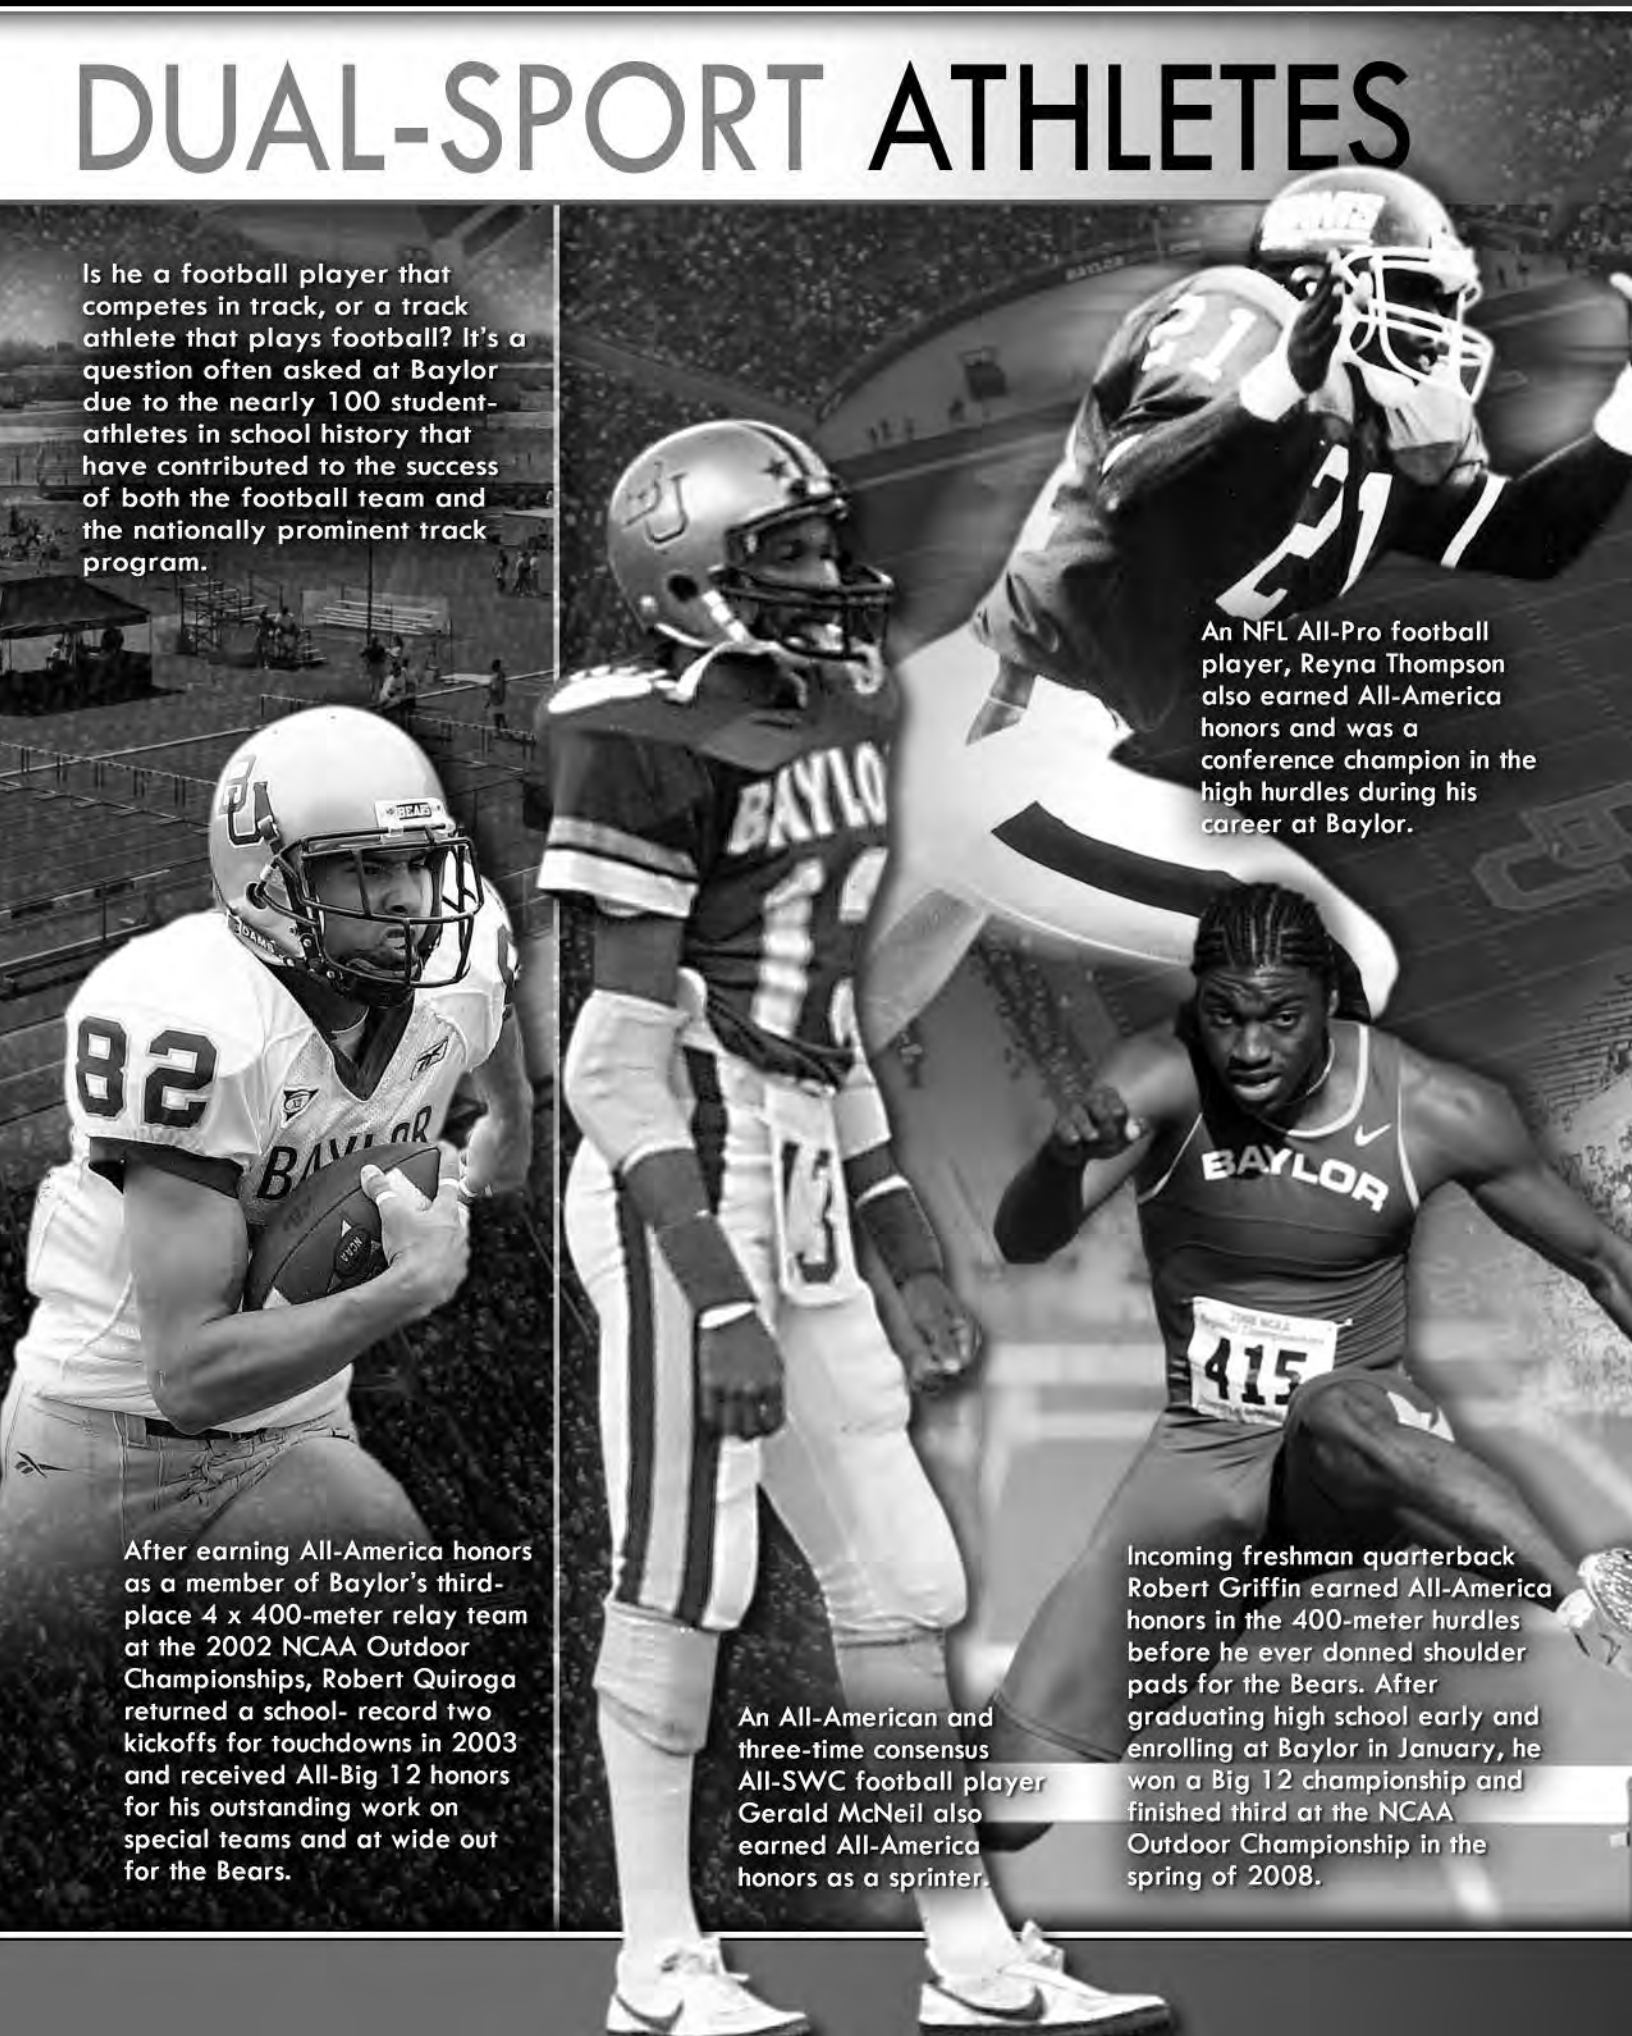
DUAL-SPORT ATHLETES



Is he a football player that competes in track, or a track athlete that plays football? It's a question often asked at Baylor due to the nearly 100 student-athletes in school history that have contributed to the success of both the football team and the nationally prominent track program.

An NFL All-Pro football player, Reyna Thompson also earned All-America honors and was a conference champion in the high hurdles during his career at Baylor.

After earning All-America honors as a member of Baylor's third-place 4 x 400-meter relay team at the 2002 NCAA Outdoor Championships, Robert Quiroga returned a school- record two kickoffs for touchdowns in 2003 and received All-Big 12 honors for his outstanding work on special teams and at wide out for the Bears.

An All-American and three-time consensus All-SWC football player Gerald McNeil also earned All-America honors as a sprinter.

Incoming freshman quarterback Robert Griffin earned All-America honors in the 400-meter hurdles before he ever donned shoulder pads for the Bears. After graduating high school early and enrolling at Baylor in January, he won a Big 12 championship and finished third at the NCAA Outdoor Championship in the spring of 2008.

All-American Davy Duncan finished second in the nation in the hurdles, while playing as a defensive back on the Bears' football team.

A four-time track All-American in the short sprints, Bruce Davis went on to play two years in the NFL as a wide receiver.

A three-year letterwinner in football, Lee Miles holds Baylor's school indoor record in the long jump with a leap of 26-1 3/4.

SEASON **OUTLOOK**

2008 SEASON OUTLOOK

The **Art Briles** Era at Baylor begins in 2008, and Bear fans are anxious for the anticipated improvement possible under Briles' new system and history of prolific offenses.

Offensively, the Bears return nine starters from last year's unit which averaged 351.2 yards per game, Baylor's highest mark since 1995 (383.3 ypg). Baylor must replace running back **Brandon Whitaker,** who led the Bears in both rushing (40.7 ypg) and receiving (58-425), as well as offensive guard **Chad Smith,** a two-year starter along the o-line.

Most of the attention during sping pratice was focused on the quarterback battle between senior **Kirby Freeman,** a transfer from Miami, Fla., who has one season of eligibility remaining, junior **Blake Szymanski,** a 10-game starter for the Bears a year ago, and true freshman **Robert Griffin,** who graduated from Copperas Cove [Texas] High School in December 2007 and went through spring ball with the Bears. The trio emerged from spring ball sharing the top line on the depth chart and figure to be pushed by incoming junior college transfer **Jeremy Sanders** during fall camp.

"They're all really good. We can win with them," Briles said of the quarterbacks. "I thought all the quarterbacks played really well. I'm proud of the way they led through the spring. All three of those guys are good players, really good players."

Baylor's offensive line, which allowed just 21 sacks last year (the program's fewest since 1995), returns four starters--fifth-year senior **Jason Smith** at right tackle, fifth-year senior **Dan Gay** at left tackle, as well as a pair of juniors who started every game a year ago in center **J.D. Walton** and right guard **James Barnard.** Jason Smith has more career starts (27) than any returning Baylor player on either side of the ball.

"The o-line's got to be a strength for us from an offensive standpoint, because however good they are up front is however good we're going to be offensively," Briles said. "Those guys (**Jason Smith**, **J.D. Walton** and **Dan Gay**) are going to be the heart and soul of our offense, because as they go, we go as an offense. We've got some guys that should be all-conference and maybe even All-Americans in some instances."

At running back, sophomore **Jay Finley** emerged from spring ball No. 1 on the depth chart with fifth-year senior **Jacoby Jones** and senior **Ray Sims,** a converted safety, sharing the No. 2 line. Finley and Jones averaged 17.2 ypg and 27.4 ypg, respectively a year ago, while Sims returns to a position he played in high school.

"I thought Jay (Finley) and Jacoby (Jones) ran extremely tough," Briles said. "And that's what we need. Jacoby was hurt early, so he just came on there at the end. But they both fought hard for yards, protected the ball. So that's a good sign. Ray (Sims) will be in the mix. Ray's a tough guy, too. He's got good feet. We'll be fine there."

The Bears also return eight of their top nine receivers from a year ago, including four of five players who caught at least 30 balls in 2007--TE **Justin Akers** (43-426), TE **Brad Taylor** (35-465), IR **Thomas White** (34-475) and WR **David Gettis** (31-407).

"We had a couple injuries with **Ernest (Smith)** and **Mikail (Baker),** so those guys didn't get to finish the spring, which hurt them a little bit," Briles said. "They were learning how to play fast. And that's the thing we stressed was playing fast, playing fast. And they're getting that. I thought David Gettis improved tremendously through the spring. I thought he became more polished at the end of spring. And those other guys were productive."

After playing a 4-2-5 defense the past five years, Baylor has switched to a 4-3 look in 2008 with the arrival of new defensive coordinator **Brian Norwood** from Penn State. The Bears return six starters from a year ago, including their top two tacklers in junior **FS Jordan Lake** and junior **LB Joe Pawelek,** who had 120 and 99 tackles, respectively, a year ago.

"I thought their effort and attitude was outstanding," Briles said of the Bears' defenders. "We're still tinkering with a few positions and making sure we've got the right guys in the right spots. But that will take care of itself."

Three returning defensive starters are along the line in senior DT **Vincent Rhodes**, NT **Trey Bryant** and DE **Jason Lamb,** a trio who started every game in 2007. DE **Leon Freeman,** who led the 2007 Bears in tackles for loss with 9.5 stops behind the line, is the odds on favorite to start opposite Lamb.

"We need for all those guys up front to be men," Briles said. "They've just got to man up, because we don't have a lot of depth there. But if I was a player, I'd be happy, because it would mean I'd get to play a lot. They've got to prepare their bodies and get themselves ready for football-related war. But Jason (Lamb) had a great spring. Jason's a big body that has got quick twitch. Vincent Rhodes needs to be the most dominant d-lineman Baylor's had in the last decade. That's the way he needs to approach his season. Trey Bryant is a guy that could be a difference-maker for us. A big guy that's quick twitch."

Pawelek leads a young but talented linebacking corps that must replace two-year starter **Nick Moore.** Junior **Antonio Jones** and sophomores **Antonio Johnson,** a converted defensive end, **Chris Francis** and **Earl Patin,** a pair of All-Big 12 freshman selections a year ago, help make this one of the squad's deepest positions.

"I think they need to be a force defensively," Briles said of the Baylor linebackers. "I think we've got great depth. It should be the strength of our defense. We're two-deep. I think we've got six guys that can play."

Baylor lost its two starting cornerbacks a year ago, **Josh Bell** and **Alton Widemon,** to graduation. Fifth-year senior **Dwain Crawford** played rover a year ago and ranked No. 8 on the squad in tackles (48) despite misssing three gamesdue to injury, but he's moved to cornerback for his final Green & Gold campaign. Sophomore **Krys Buerck,** who made six starts at wide receiver a year ago, moved to corner prior to spring practice and came out No. 1 on the depth chart opposite Crawford.

Lake, a consensus second-team All-Big 12 pick in 2007 missed all of spring practice recovering from off-season shoulder surgery, which gave senior **Jake La Mar,** an honorable mention All-Big 12 selection a year ago at rover, an opportunity at safety and he shares the top line on the depth chart with Lake. Junior **Jeremy Williams,** who started four games a year ago at outside safety, is listed No. 1 opposite Lake and La Mar.

"In the secondary, our objective is to rate our top five guys and get them on the field," said Briles. "That's our objective, regardless of position. Safety, corner, nickel back, whatever. Strong safety, free safety. Who's the five best? Let's get them on the field. And that's what we're trying to get to. I think those guys had a good spring."

Sophomore **Derek Epperson,** who averaged 39.1 yards per punt as a true freshman en route to a spot on *The Sporting News*' Big 12 All-Freshman team, returns for his second year as Baylor's punter, while sophomore **Shea Brewster,** who split the Bears' place-kicking chores a year ago as a true freshman, is also back.

"I feel real good about the kicking game," Briles said. "I thought (Shea) Brewster had a great spring and (Derek) Epperson did a great job. And then our snapper, **Carter (Brunelle).** Those guys performed at the level they have to perform at."

Briles expects to see a different looking football team in fall camp.

"I think they'll be entirely different August 1 than they were April 1," he said. "I expect them to be stronger and carry their body weight better, so that they can add weight but good body weight. And then mentally and physically be a machine. They've got to make their body a machine and let their mind control it."

FIRST SPRING PRACTICE UNDER BRILES

A new era in Baylor football was ushered in Nov. 28, 2007, when **Art Briles** was introduced as the Bears' 25th head coach. A native Texan who has spent his entire life in the Lone Star state, Briles came to Waco following a highly successful five-year tenure as head coach at the University of Houston where he guided the Cougars to four bowl games and a 34-28 record.

"Don't bet against Briles, who is one of the most astute offensive minds in the business."
TOM **DIENHART, YAHOO! SPORTS**

The Bears completed spring workouts April 5 with a controlled scrimmage and Briles was pleased with what his team accomplished during its 15 practices.

"Our spring went well," Briles said. "We had a lot of personnel to look at and a lot of schemes to get in on both sides of the ball. But our guys did a great job. They're a hungry football team, they're an eager football team and we're anxious to get them on the field in the fall. We think we had a real productive spring."

Baylor returns 48 lettermen, including 17 starters from last year's team which went 3-9 overall and 0-8 in the Big 12. All-told, the Bears return nine starters on offense, six on defense as well as their first-team placekicker and punter.

"Like I've said from Day 1, the first thing we have to do is earn respect," Briles said. "When people talk about Baylor football, it needs to be in a respectful manner. Then we have got to be credible on the field. We've got to put our wares out there on the field, turn them loose, and it needs to be a productive system that's out there. So that's the stages that we're at and that's what we're working on."

Baylor opens its 2008 season Aug. 28 at home against 2007 Meineke Bowl champion Wake Forest.

COACHING STAFF FEATURES NEW FACES

Eight of Baylor's nine assistant coaches are new to the program, as linebackers coach **Larry Hoefer** is the lone returnee from the previous staff.

While head coach **Art Briles** calls his own plays, his offensive staff includes co-coordinators **Randy Clements** (line) and **Philip Montgomery** (quarterbacks/running backs), both of whom served on Briles' staff at Houston. **Dino Babers** coaches the outside receivers and serves as recruiting coordinator, while **Kendal Briles** directs the inside receivers.

Defensive coordinator **Brian Norwood,** who joined the Baylor staff after spending the past seven years working as an assistant on Hall of Fame coach Joe Paterno's Penn State staff, will lead a staff that includes **Chris Achuff** (tackles), **Kim McCloud** (cornerbacks), **Theo Young** (ends) and Hoefer.

TRADING PLACES

Notable position changes that took place during spring ball included the movement of senior **John David Weed** (from quarterback to inside receiver), junior **Mikail Baker** (from wide receiver to inside receiver), sophomore **Krys Buerck** (from wide receiver to cornerback), sophomore **Antonio Johnson** (from defensive end to linebacker), sophomore **V.J. McElroy** (from cornerback to inside receiver), junior **Sam Sledge** (from offensive line to defensive line), redshirt freshman **Matt Singletary** (from defensive end to inside receiver), senior **Ray Sims** (from outside safety to running back), senior **Dwain Crawford** (from rover to cornerback) and redshirt freshman **Elliot Coffey** (from safety to linebacker). Nine of those 10 are listed either first or second on the post-spring depth chart with five players--Weed, Baker, Buerck, Johnson and Crawford--listed No. 1 at their new positions.

ANOTHER TOUGH SCHEDULE ON TAP FOR 2008 BEARS

After playing eight of 12 games a year ago against teams that went on to earn bowl invitations, Baylor will face eight bowl teams in 2008, including six of its eight Big 12 opponents. Over the last five seasons, 32 of the Bears' 40 Big 12 Conference games have been against teams that ended their season in a bowl game.

Baylor's 12 2008 opponents combined for a 91-69 (.569) record a year ago and eight received bowl bids--Wake Forest (Meinike champion), UConn (Meinike), Oklahoma (Fiesta), Oklahoma State (Insight champion), Missouri (Cotton champion), Texas (Holiday champion), Texas A&M (Alamo) and Texas Tech (Gator champion). Baylor's eight 2008 Big 12 foes went 64-40 (.615) a year ago and recorded four of the league's five bowl wins.

The Bears open the Art Briles-era with three consecutive home games as Wake Forest (Aug. 28), Northwestern State (Sept. 6) and Washington State (Sept. 13) visit Floyd Casey Stadium before Baylor completes nonconference play with a Sept. 19 game at UConn that will be televised nationally on ESPN2. All-told, Baylor will play seven home games at Floyd Casey Stadium, as it opens Big 12 play with home contests against Oklahoma (Oct. 4) and Iowa State (Oct. 11), followed by home tilts against Missouri (Nov. 1) and Texas A&M (Nov. 15). The Bears' league road games are at Oklahoma State (Oct. 18), Nebraska (Oct. 25), Texas (Nov. 8) and Texas Tech (Nov. 29).

Baylor plays three consecutive home games to open a season for the first time since 1992 and enjoys a seven-game home slate for just the sixth time since Floyd Casey Stadium opened its gates in 1950.

JORDAN **LAKE**

LET'S GO TO THE LAKE

Junior free safety **Jordan Lake,** a consensus second-team All-Big 12 performer as a sophomore in 2007, missed spring practice while recovering from off-season shoulder surgery, but he's expected to be full-speed when fall camp opens in August and should contend for All-America honors in his final two seasons at Baylor. Lake registered six double-digit tackle games a year ago and finished the season with 120 total tackles, the most by a Baylor player since **Maurice Lane**'s 129 tackles in 2003.

He ranked third in the Big 12 (No. 1 among defensive backs) and No. 30 nationally with 10.0 tackles per game a year ago. Lake had a hand in six of the 19 turnovers the Baylor defense created a year ago, as he picked off a pair of passes, recovered two fumbles and forced a pair of fumbles in 12 starts.

2008 PRESEASON NOTES

MAXIMUM PROTECTION

Baylor returns four starters from an offensive line which yielded just 21 sacks a year ago (on a school-record 561 pass attempts), the program's fewest since 1995. Three times last year the o-line did not allow a sack in a game and it went consecutive games (at Texas A&M, Colorado) without allowing a sack for the first time since a three-game run late in the 1995 campaign (at Miami, at SMU, Rice).

From 1998 through 2006, Baylor quarterbacks were sacked 328 times in 113 games (2.9 per game), allowing at least 25 sacks each season and a high of 52 sacks in a 12-game 2002 schedule. In 2007, the Bears allowed only 1.8 sacks per game. More impressively, the Bears' quarterbacks were sacked once every 11.3 pass attempts from 1998 through 2006; but in 2007, they were sacked once every 26.7 pass attempts.

A pair of fifth-year senior tackles who began their Baylor careers at different positions, **Jason Smith** and **Dan Gay,** anchor the Bears' line on the left and right side, respectively. Junior center **J.D. Walton** and junior right guard **James Barnard** also return after both started every game a year ago. Gay, Walton and Barnard all started every game along the line a year ago for the Bears, while Smith drew seven starts despite battling a knee injury and has more career starts (27) than any active Baylor player on either side of the ball.

MR. GRIFFIN ALREADY AN ALL-AMERICAN

Before he'd even strapped on shoulder pads for a football game, heralded recruit **Robert Griffin** had earned All-America status... in track and field. Griffin, who graduated from high school in December 2007 and enrolled at Baylor in January 2008, joined the Bears' track squad after spring football and made an immediate splash in the 400-meter hurdles. After winning a Big 12 title (with a 49.22 time in his fourth race of the outdoor season) and setting a Midwest Regional record (49.35), Griffin placed third (49.55) at the NCAA Championships to earn All-America honors. The 6-3 athlete (rated the nation's No. 3 dual-threat QB recruit by Rivals.com) exited spring ball sharing the top spot on BU's depth chart at quarterback.

PAWELEK BUILDING ON EARLY SUCCESSES

After establishing himself as one of the Big 12's top linebackers as a freshman and sophomore, junior **Joe Pawelek** is also a Baylor All-America candidate both in the classroom and on the field. Pawelek earned second-team All-Big 12 honors from several media outlets as a sophomore when he ranked second on the team in tackles with 99 stops. Pawelek also added 8.0 tackles behind the line to rank second on the squad.

With 22 career starts to his credit, Pawelek has the most starts of any returning Baylor defender and the second-most (along with Dan Gay) among any BU returnee. In just two seasons, he's totaled 185 tackles in 24 games and needs just 132 stops to crack the Bears' all-time top 10; 33 assisted stops to reach Baylor's top 10 in that category, too.

BAYLOR NOTEPAD

Junior QB **Blake Szymanski** established Baylor single-season records for touchdown passes (22), pass attempts (461), completions (264), passing yards (2,844), total-offense attempts (522), total-offense yards (2,942) and touchdowns responsible for (23) in 11 games (10 starts) a year ago ... Baylor had five receivers register at least 30 receptions in the same season for the first time ever and four of those players return in 2008 ... Sixteen different Bears tallied at least one reception a year ago ... Senior IR **Thomas White** led Baylor in scoring with 48 points a year ago, the first time a non-kicker led the Bears in that category since 2002 and the first time a receiver led the club since 2001 ... Baylor averaged 36.7 points in its three wins a year ago and just 12.0 points in its nine setbacks ... On the flip side, the Bears yielded just 21.7 points in their three wins and 42.1 in their setbacks ... Baylor has won 14 of its last 19 games when scoring 24 or more points ... Baylor averaged 351.2 total-offense yards per game a year ago, its highest mark since 1995, and established school season records for passing yards (3,281), completions (309), attempts (561), while ranking No. 2 in both touchdown passes (23) and passing yards per game (273.4) ... Baylor returns six of its top 10 tacklers from a year ago, including three of its top five in junior FS **Jordan Lake** (No. 1, 120), junior LB **Joe Pawelek** (No. 2, 99) and senior FS **Jake La Mar** (No. 5, 67).

WALK-ONS

Baylor's 2008 roster features two student-athletes who began their collegiate careers as walk-ons but have since earned a scholarship. Baylor has rewarded 30 walk-ons with scholarships since 2003.

The most notable Baylor walk-on turned scholarship recipient was punter Daniel Sepulveda, who was selected in the fourth round of the 2007 NFL Draft by the Pittsburgh Steelers. Sepulveda, having not punted since early in his high school career, became the Bears' punter as a redshirt freshman in 2003 and was placed on scholarship after earning 2003 second-team All-Big 12 honors in January 2004. He went on to become the first player to win two Ray Guy Awards (2004 and 2006), given annually to the nation's top collegiate punter, and earn All-America honors in each of his final three seasons. Sepulveda, a two-time first-team Academic All-American, was a unanimous consensus All-America choice on the field in 2006 when he won his second Guy trophy.

Other walk-on Bears who have earned scholarships over the past six years include: Jordan Adams, Baylor Barbee, Bryan Bays, Lee Chandler, Joseph DeWoody, Damon Dotson, Bennett Hoefer, Michael Gary, Ricky Hasoon, Julian Hill, Quincy Jenkins, Zach Jones, Jake La Mar, Tyler Lindstrom, Daniel Lopez, Nick Moore, Mark Murphy, Craig Munn, Mario Price, Shaun Rochon, Ralph Rodriguez, Chris Rogers, David Schieck, Ted Tanner, Keegan Vann, Marcus Venus, Kenny Webb, Jonathan Weeks and Thomas White.

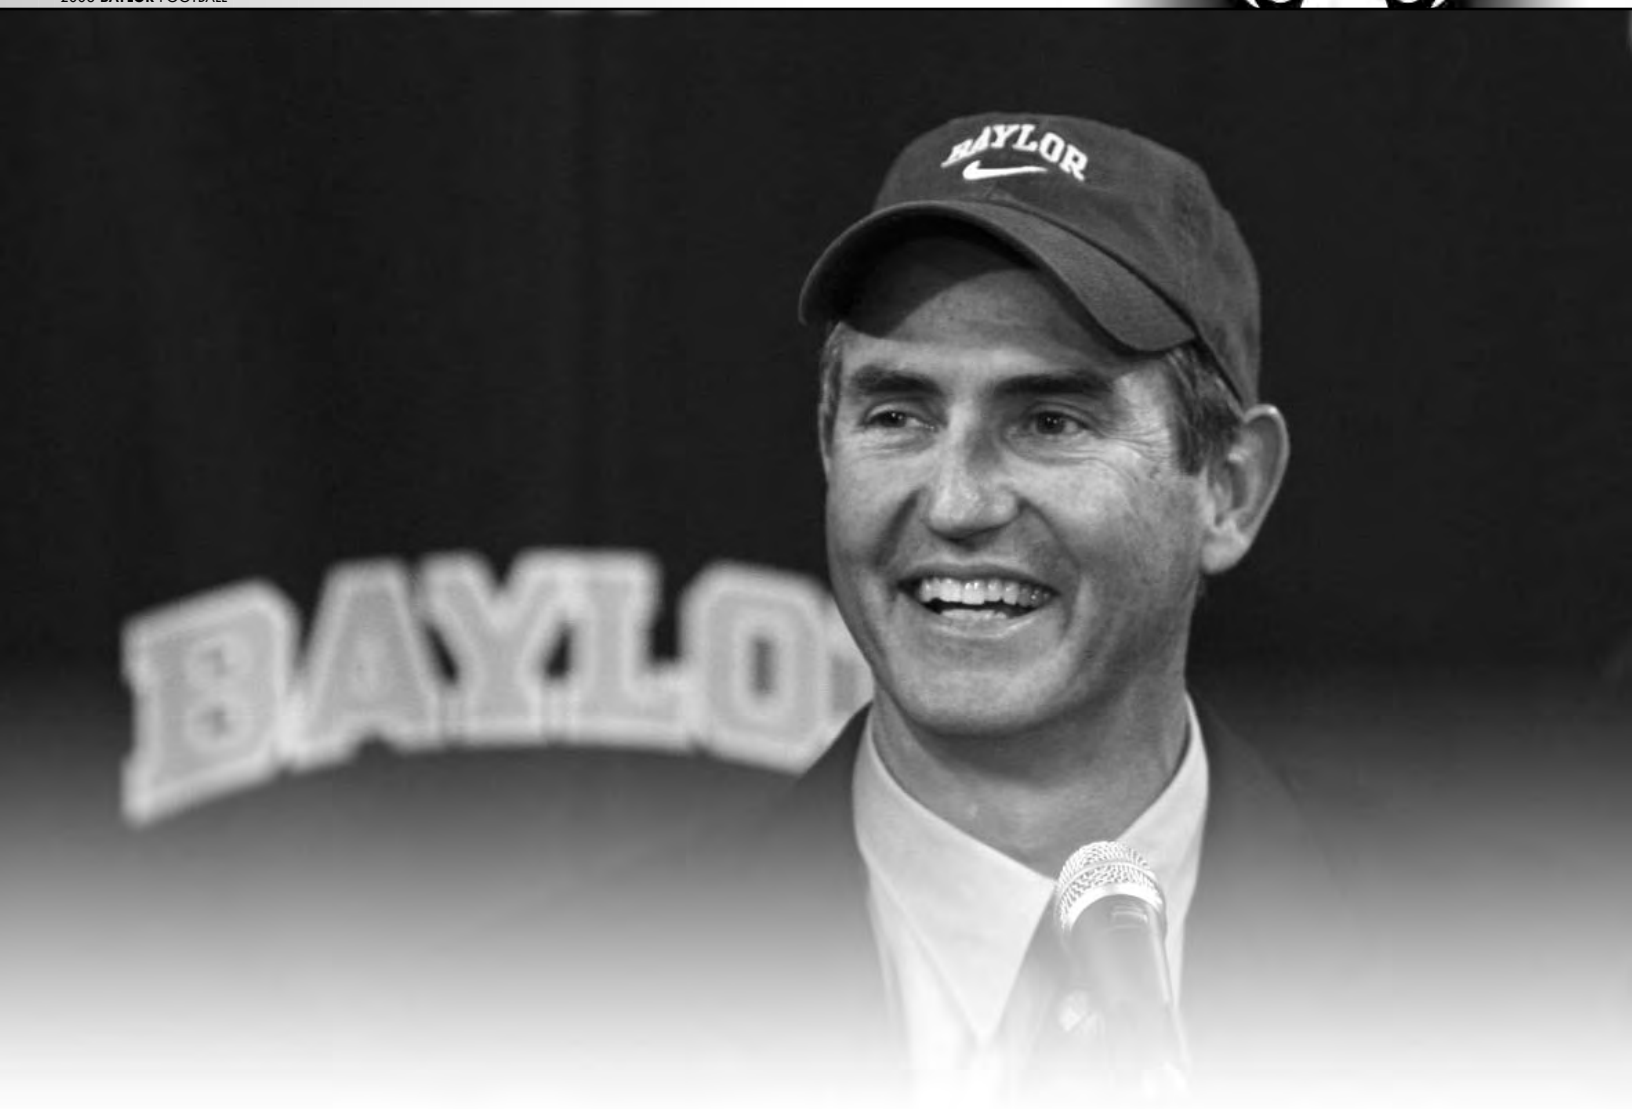
COACHING STAFF



BAYLOR HEAD COACH
ART BRILES

Art Briles, a native West Texan who resurrected the University of Houston's football program during his five seasons along the Cougars' sideline, was introduced as Baylor University's 25th head football coach Nov. 28.

Briles, who inherited a Houston program that was just two years removed from an 0-11 season and won just eight games from 2000 to 2003, posted a 34-28 record with the Cougars and guided them to four bowl games. He ranks as the program's third-winningest head coach behind College Football Hall of Famer Bill Yeoman (160 wins in 26 seasons from 1962-86) and Clyde Lee (37 victories in seven season from 1948-54).

Briles guided Houston to an 8-4 regular-season record in his final season along the Cougar sideline and a Texas Bowl invitation (he did not coach the Cougars in the bowl game). Coupled with their 10-win 2006 campaign, the Cougars registered consecutive seasons of at least eight victories for the first time since the 1989 (9) and 1990 (10) campaigns. The 2007 Cougars finished the season ranked fourth nationally in total offense (501.9 ypg) and made college football history by becoming the first program to produce a 300-yard receiver and a 200-yard rusher in the same game.

In 2006, Briles earned Conference USA and Sportexe Division I-A National Coach of the Year honors after guiding the Cougars to a Conference USA title, a Liberty Bowl appearance and the program's first 10-win season since 1990 with a final mark of 10-4.

The Cougars enjoyed the nation's seventh-best turnaround in 2006, a four-game improvement in the win column over their 6-6 mark in 2005. Houston's 2006 C-USA title, just five years removed from a winless 2001 campaign, marked only the fifth time in the past 30 seasons that a I-A program went from winless to conference champions.

One of nine finalists for the 2006 Eddie Robinson National Coach of the Year award, Briles' offense led Conference USA and ranked sixth nationally at 439.9 yards per game. Cougar quarterback Kevin Kolb was Conference USA's consensus 2006 Offensive Player of the Year, as 13 Houston student-athletes earned postseason honors from the media and 12 were honored by the league's coaches. Kolb ended his career ranked third in NCAA history for total offense and fourth in passing yards.

Briles' 2005 Cougar team finished 6-6 overall, led Conference USA in total offense and played in the Fort Worth Bowl, while his 2004 squad was 3-8.

His rookie season at UH saw the Cougars make school history; as they

"We are very fortunate to have been able to recruit him to Baylor to lead our football program forward. He has a brilliant vision and plan for Baylor football that will lead us to bowl games and championships in the years to come."

IAN McCAW
BAYLOR DIRECTOR OF ATHLETICS

HEAD COACH ART BRILES

finished 7-6 and earned a berth in the 2003 Sheraton Hawai'i Bowl. He became just the second UH head coach to take Houston to a bowl game in his first season at the helm, joining Yeoman, his college coach. Briles' innovative offense produced a 1,000-yard rusher (Anthony Evans), a 1,000-yard receiver (Brandon Middleton) and a 3,000-yard passer (Kolb)--one of only five Division I-A teams to post such outstanding performers.

Briles returned to Houston as head coach from Texas Tech University, where he spent three years (2000-02) as the Red Raiders' running backs coach. The Tech ground game flourished under Briles' direction, increasing its production every year and producing a 2001 first-team All-Big 12 performer in Ricky Williams. The Red Raiders won seven or more games each season Briles was on Mike Leach's staff and went bowling every year.

Prior to moving into the collegiate coaching ranks at Texas Tech, Briles spent 12 seasons (1988-99) as head coach and athletic director at Stephenville [Texas] High School. His Yellowjacket teams won four state championships, capturing back-to-back crowns in 1993 and 1994 and repeating that feat in 1998 and 1999.

Briles, a former Texas High School Coaches Association president, has spent his entire coaching career in the state of Texas. Following in his father's footsteps, Briles began his coaching career as an assistant at Sundown [Texas] High School in 1979 before moving to Sweetwater [Texas] High School as an assistant from 1980-83. He landed his first head coaching job at Hamlin [Texas] High School (1984-86), where he also served as athletic director.

From Hamlin, Briles went to Georgetown [Texas] High School as head coach and athletic director for two seasons (1986-87) before moving to Stephenville in 1988. While coaching in the high school ranks, Briles developed six Division I quarterbacks and had five signal callers throw for over 3,000 yards in a season.

A former wide receiver for the Cougars from 1974 to 1977, Briles was a member of the 1976 Cougar squad that captured the Southwest Conference championship in UH's first season in the league. He later played in the 1977 Cotton Bowl against fifth-ranked Maryland, a game the Cougars won 30-21.

He received a Bachelor of Arts degree from Texas Tech in 1979 and a Masters of Education degree from Abilene Christian in 1984.

A recent inductee into the Big Country Athletic Hall of Fame for his West Texas exploits, Briles and his wife, Jan, have three children: Jancy, a graduate of the University of Houston who works in the Dallas Cowboys Public Relations office; Kendal, a Cougar letterman and UH graduate who serves as an assistant coach on his father's Baylor staff; and Staley, a senior at UH. Briles wasinducted into the Texas High School Football Hall of Fame in April 2008.

HEAD COACH ART BRILES

"I admired what (Art Briles) achieved at Houston. He clearly made them into an exciting offense and a good team. I saw them play (in 2007) at Alabama. They fell behind 23-0 in the first quarter at Tuscaloosa and almost won the game. I came away impressed with how hard they played. That to me meant it was a very well coached team."

Ivan Maisel
ESPN.com

"Baylor scored a coup by landing Briles."

Lindy's Sports

"Don't bet against Briles, who is one of the most astute offensive minds in the business."

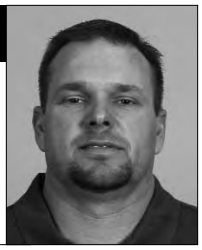
RANDY **CLEMENTS**



CO-OFFENSIVE COORDINATOR/LINE
STEPHEN F. AUSTIN STATE, 1989
JOINED BAYLOR: DECEMBER 2007

After serving on the University of Houston coaching staff the past five seasons, Randy Clements made the move to Baylor with Art Briles. Clements, who shares the offensive coordinator's duties with Philip Montgomery, coaches the Baylor offensive line, just as he did at Houston.

The Houston offense has ranked as one of the nation's most prolific, in large part due to Clements' and Montgomery's contributions. Through the end of the 2007 regular-season, Houston ranked fourth nationally in total offense (513.17 ypg), 10th in rushing offense (239.92 ypg), 17th in scoring offense (36.33 ppg) and 27th in passing offense (273.25 ypg).

This past season, Cougar offensive lineman Jeff Akeroyd earned first-team All-Conference USA honors.

In 2006, when the Cougars' offense ranked sixth nationally and No. 1 in C-USA en route to the C-USA regular-season title and a Liberty Bowl appearances, three of Clements' Houston linemen earned all-conference honors. Senior center Sterling Doty received first-team recognition, while Akeroyd was a second-team honoree and Dustin Dickinson earned third-team honors from the media and honorable mention from the coaches.

Houston's 2005 offensive line helped pave the way for a 1,000-yard rusher in Ryan Gilbert and provided the protection for a 3,000-yard passer in Kevin Kolb as the Cougars reached the Fort Worth Bowl. Two Clements' pupils, David Douglas and SirVincent Rogers, earned third-team C-USA honors.

In his first season at Houston, which culminated with the Cougars' bid to the Sheraton Hawai'i Bowl, Clements' tutored Houston center Rex Hadno, first-team All-Conference USA selection who went on to become a sixth-round draft pick of the NFL's Miami Dolphins. Houston finished 12th nationally in both rushing (215.54 ypg) and total (458.3 ypg) offense, 16th in scoring offense (34.56 ppg).

Clements went to Houston after 12 highly successful seasons at Stephenville (Texas) High School, where he served as offensive coordinator, offensive line coach and head power lifting coach. As Stephenville's offensive coordinator in a 10-2 2002 campaign, the school averaged 390 yards and 31 points per game. He coached the offensive line during Stephenville's four Class 4A/Division II state championships (1993, 1994, 1998 and 1999).

Clements developed 17 all-state athletes and 11 Division I signees on the offensive line including All-Big 12 player Curtis Lowery (Texas Tech), Shalor Pryor (Iowa), Kris Terrill (Army), Bryan Kegans (Texas Tech) and Sterling Doty (Army).

As Stephenville's head power lifting coach from 1991 through 2002, Clements led his squad to 12 consecutive regional titles and a 2001 state championship. The Wichita Falls, Texas, native earned all-conference honors as a center in 1985 at Tyler (Texas) Junior College, then transferred to Stephen F. Austin where he played on the Lumberjacks' 1988 team which went 10-2 and reached the I-AA quarterfinals.

Clements began his coaching career at SFA as a student assistant (1986-87), then after receiving his bachelor's degree in education from SFA in 1989 he began his association with Art Briles at Stephenville High School.

He and his wife, Polly, have two children, Jordan and Jayson.

TARLETON STATE, 1995
JOINED BAYLOR: DECEMBER 2007

Philip Montgomery came with Art Briles from the University of Houston and will serve as the Bears' co-offensive coordinator, the same role he held for Briles' Cougars in 2006. Montgomery, whose association with Briles dates to Stephenville High School, shares the offensive coordinator's duties with Randy Clements and coaches the Bears' quarterbacks and running backs.

The Houston offense has ranked as one of the nation's most prolific, in large part due to Clements' and Montgomery's contributions. Through the end of the 2007 regular-season, Houston ranked fourth nationally in total offense (513.17 ypg), 10th in rushing offense (239.92 ypg), 17th in scoring offense (36.33 ppg) and 27th in passing offense (273.25 ypg).

In 2007, Houston's Anthony Alridge rushed for a team-high 1,568 yards and 14 touchdowns while catching 41 passes for 424 yards and five scores en route to second-team All-Conference USA honors for the second consecutive year. He ended the regular-season ranked seventh nationally in rushing and 12th in all-purpose yards per game at 180.1. Alridge and Jackie Battle both rushed for more than 800 yards in 2006 to receive second- and third-team all-conference honors respectively.

Montgomery also played a key role in the development of Kolb, who was named 2003 Conference USA Freshman of the Year. His first season at Houston also saw running back Anthony Evans rush for 1,149 yards en route to second-team All-Conference USA honors and Jackie Battle earn team MVP honors after rushing for 124 yards and three touchdowns in the 2003 Sheraton Hawai'i Bowl.

Two years later, Kolb was a third-team all-league performer and running back Ryan Gilbert was a first-team Conference USA honoree after rushing for more than 1,000 yards.

Prior to joining the Cougars' coaching staff, Montgomery served one year as the offensive coordinator at Denton (Texas) High School and helped the team to a 10-2 record and the 2002 bi-district crown.

Montgomery spent six seasons as the quarterbacks and backfield coach at Stephenville High School, where he helped coach Art Briles' program to back-to-back state 4A Division II state championships in 1998 and 1999.

Among his pupils at Stephenville were all-state quarterback Kelan Lucker and all-state running back Zac Hunter, who helped power the team's offense to a national record 8,664 total yards in 1998. He also coached Kendall Briles, the 1999 4A Division II Texas Offensive Player of the Year as well as Tie Lassater and Kolb to 4A Division II Texas Offensive MVPs in 2000 and 2001, respectively.

A four-year letterman at Tarleton State, Montgomery began his coaching career as a student assistant at his alma mater working with the running backs and serving as the summer weight room coordinator for two seasons.

The Eastland, Texas, native received his bachelor's degree in exercise and sports studies from Tarleton in 1995. He and his wife, Ashli, have two children, Cannon and Maci.

BRIAN **NORWOOD**

DEFENSIVE COORDINATOR
HAWAI'I, 1988
JOINED BAYLOR: DECEMBER 2007

Brian Norwood, who has spent the past seven seasons as safeties coach on College Football Hall of Fame head coach Joe Paterno's Penn State staff, is Baylor's first-season defensive coordinator.

An 18-year collegiate coaching veteran, Norwood began his career as a graduate assistant coach at Arizona (1990-91), before spending three seasons (1992-94) as outside linebackers coach at Richmond. He then spent five years at the U.S. Naval Academy (1995-99) as defensive backs coach and one season at Texas Tech (2000) as defensive backs coach before moving to Penn State in 2001. Teams he has worked with have earned seven bowl bids, including Penn State's 2007 trip to the Valero Alamo Bowl.

During Norwood's seven seasons at Penn State, the Nittany Lions led the Big Ten in pass efficiency defense twice (2004 and 2005) and finished third on two occasions (2003 and 2006). Nationally, Penn State ranked among the nation's top 25 in pass efficiency defense four times including a No. 4 ranking in 2004. At the end of the 2007 regular season, the Nittany Lions' defense ranked sixth nationally against the run (87.92 ypg), eighth in scoring defense (17.58 ppg), ninth in total defense (306.58 ypg) and 44th in pass efficiency defense (119.14 rating).

Norwood coached 2006 Big 10 interceptions leader and first-team All-Big Ten safety Anthony Scirrotto, and developed All-Big Ten and NFL defensive backs Shawn Mayer (led conference with 144 tackles as a senior) and Calvin Lowry. He also coached 2003 second-team All-Big Ten pick Yaacov Yisreal.

At Navy, Norwood tutored Sean Andrews, who earned second-team All-America honors in 1995, as well as Robert Green, an All-Independents team selection. In Norwood's second season at the Annapolis, Md., school, Navy fashioned its best record since 1978 at 9-3 and registered a 42-38 victory over California in the 1996 Aloha Bowl. With Norwood on staff, the Midshipmen posted back-to-back winning seasons (1996 and 1997) for the first time since a five-year run of winning campaigns ended in 1982.

In his lone season at Texas Tech, Norwood coached strong safety Kevin Curtis, a first-team All-Big 12 honoree who shared the Red Raiders' MVP honor. The Red Raiders played in the 2000 Galleryfurniture.com Bowl.

Norwood, who calls Glenarden, Md., and Honolulu, home, graduated from the University of Hawai'i in 1988 with a bachelor of science degree in communications. He was a four-year letterman as a cornerback/safety for the Rainbows from 1983 through 1987 and received the team's Most Improved Defensive Back award as a senior.

He and his wife Tiffiney have five children--Gabriel, Jordan, Levi, Brianna and Zaccariah. Gabriel and Jordan helped State College Area High School to the 2003 PIAA Basketball Championship. Gabriel was a member of George Mason's 2006 men's basketball Final Four team and currently plays professionally overseas. Jordan is a senior starter at wide receiver on the Nittany Lions team.

DINO **BABERS**

RECRUITING COORDINATOR/WIDE RECEIVERS
HAWAI'I, 1984
JOINED BAYLOR: JANUARY 2008

Dino Babers is entering his first season as Baylor's outside receivers coach and recruiting coordinator. Previous to Baylor, Babers spent four seasons as an assistant coach at UCLA and before that served as offensive coordinator and quarterbacks coach at Texas A&M.

Babers helped the Bruins to bowl bids in each of his four seasons in Westwood, including a trip to the 2007 Las Vegas Bowl. He coached the Bruin running backs the past two seasons after originally joining the staff as wide receivers coach in 2004. In addition, Babers served as the program's assistant head coach during the 2007 season and was its recruiting coordinator in 2006. The past two seasons, Bruin tailback Chris Markey has been Baber's standout pupil, becoming the 14th career 2,000-yard rusher in school history and in 2006, the first Bruin since 1962 to lead the team in both rushing and receptions in the same season.

In 2005, a core group of Bruin receivers emerged under Babers' direction, Joe Cowan, Marcus Everett and Brandon Breazell. Each caught at least 24 passes and scored a combined total of nine touchdowns while helping to make up for the void left due to the season-ending injury to Junior Taylor in the season's third game. In 2004, his first season with the Bruins, Craig Bragg became UCLA's career receptions leader and Taylor enjoyed his best season as a Bruin. The Bruins recorded 22 touchdown receptions in '04, almost doubling the total of the previous season (12).

Babers spent the 2003 campaign as wide receivers coach at Pittsburgh, which followed a two-year stint (2001 and 2002) as offensive coordinator and quarterbacks coach at Texas A&M.

Before moving to College Station, he spent six seasons (1995-2000) as an assistant coach on Dick Tomey's Arizona Wildcats staff, coaching receivers (1995-96), running backs (1997) and quarterbacks (1998-2000). He also spent two seasons (1996-97) as the Wildcats' assistant head coach before being promoted to offensive coordinator for his final three seasons at the school. Arizona averaged a Pac-10 leading 471.9 total-offense yards in 1999 to rank third nationally. In his first year (1998) as Arizona's offensive coordinator, the Wildcats finished 12-1 and produced a 1,000-yard rusher, two 1,000-yard passers and a pair of receivers who combined for 121 receptions.

The San Diego native has also worked at San Diego State (1994, receivers), Purdue (1991-93, receivers), Northern Arizona (1990, special teams coordinator and defensive backs), UNLV (1988-89, special teams coordinator and running backs) and Eastern Illinois (1987 (running backs). He began his collegiate coaching career as a graduate assistant at Hawai'i in 1984 and then spent the next two seasons (1985 and 1986) in a similar position at Arizona State before landing a full-time job at Eastern Illinois in 1987.

All-told, 16 players Babers either coached or recruited have landed in the National Football League.

A 1984 graduate of the University of Hawai'i with a bachelor's degree in education, Babers started at three different positions for the Warriors during his collegiate career--outside linebacker, strong safety and running back while earning All-Western Athletic Conference Academic honors. As a senior, he served as the Warriors' special teams captain and was the club's leading rusher.

Following his final collegiate season, Babers spent one year in the Canadian Football League before an injury ended his playing career.

Babers, who received his master's degree in education administration and supervision from Arizona State in 1987, and his wife Susan have four daughters-- Breeahnah, Tasha, Jazzmin and Paris.

A two-time Texas 4A Offensive Player of the Year and first-team all-state quarterback, Briles also played safety. He totaled 9,322 total-offense yards and 98 total touchdowns over his final two high school seasons.

He spent his senior season at Wolfforth Frenship High School and earned his second Offensive Player of the Year honor after passing for 3,584 yards and 35 touchdowns while rushing for 1,074 yards and 19 scores.

As a junior, playing for his father at Stephenville High School, Kendal Briles earned 1999 Texas 4A Offensive Player of the Year recognition after leading Stephenville to a 16-0 record and the 4A state title. In his first game on defense, Briles picked off two passes in the Longhorns' shutout of Baylor in 2002 to share player of the game honors.

When his father was named Houston's head coach, the younger Briles left the Longhorn program and became a Cougar. He sat out the 2003 season due to transfer rules, then caught 25 passes for 311 yards as a junior in 2004. In his final season at Houston, Briles ranked second on the team in receptions with 45 catches for 369 yards and one touchdown.

ASSISTANT COACHES

LARRY **HOEFER**

ASSISTANT COACH/LINEBACKERS
McMURRY, 1973
JOINED BAYLOR: DECEMBER, 2002

Texas native and longtime defensive coach Larry Hoefer is in his sixth season at Baylor, his first as the Bears' linebackers coach and his 34th year on the sideline all-told.

Hoefer, who came to Baylor in 2003 with Guy Morriss from Kentucky, served as Baylor's defensive coordinator and safeties coach in 2007. He has coached at least one All-Big 12 performer every year and his pupils have led the Bears in tackles four times in the last five seasons.

In his first year at Baylor, Hoefer coached the Bears' leading tackler in Maurice Lane, who had 129 stops at free safety en route to honorable mention All-Big 12 honors, and Derrick Cash, the team's fourth-leading tackler as an outside safety. Another pupil, outside safety Willie Andrews, led the team in interceptions and was third on the squad in tackles.

In 2004 Andrews earn first-team All-Big 12 honors as a safety from the *Dallas Morning News* and as a return specialist from the league's coaches, while Lane garnered first-team all-conference recognition from the *San Antonio Express-News*. Lane again paced the squad in tackles, while Andrews again ranked third in tackles and had a team-high three sacks.

Lane led the Bears in tackles for the third consecutive year in 2005 en route to first-team All-Big 12 honors from both The Associated Press and the *Dallas Morning News*. Andrews earned first-team All-Big 12 recognition from the league's coaches as a safety and was later selected in the seventh round of the 2006 NFL Draft by the New England Patriots.

In 2006, outside safety Maurice Linguist and free safety Dwain Crawford both earned honorable mention All-Big 12 honors from the league's coaches. Jordan Lake was a consensus second-team All-Big 12 selection as a free safety in 2007 after leading the Bears with 120 total tackles.

Hoefer spent two seasons as safeties coach on Morriss' Kentucky staff before making the move to Waco. He went to UK from Texas-El Paso, where he was defensive coordinator and linebackers coach for the 2000 season. The Miners posted an 8-3 regular season record, were WAC co-champions and played in the Humanitarian Bowl. The bowl game marked Hoefer's sixth as a coach, in addition to four at Texas Tech and one (1988) during his previous stint at UTEP.

Using an eight-man front under Hoefer's guidance, UTEP reduced its rushing yards allowed from 208.2 yards per game in 1999 to 153.8 ypg in the 2000 season. UTEP held five of its league opponents under 100 yards rushing. The Miners also ranked 19th nationally in pass efficiency defense.

Hoefer worked for coach Spike Dykes at Texas Tech from 1994-99, where he coached the outside linebackers. Tech was bowl-eligible every season and played in the Cotton, Copper, Alamo and Independence bowls during Hoefer's tenure. Among his pupils were Marcus Coleman, a first-team All-American in 1995 and Ty Ardoin, each of whom played in the NFL. Hoefer also coached All-Big 12 picks Robert Johnson and Jody Brown. Tech ranked first in the nation for takeaways over a five-year period from 1993-97.

Hoefer had multiple responsibilities as an assistant at Missouri from 1989-93, working his way up from receivers coach to defensive coordinator and assistant head coach. His first term at UTEP, from 1982-88, was capped by a 10-win season and a berth in the 1988 Independence Bowl.

A native of Abilene, Texas, Hoefer stayed in his hometown and played defensive back at McMurry University, graduating in 1973. He was team captain and earned the squad's MVP honor.

Hoefer's first coaching stop was at Tarleton State from 1974-75 as a graduate assistant working with the defensive backs. He went on to coach at Big Spring (Texas) High School in 1976 and Abilene (Texas) High from 1977-80. Hoefer coached at West Texas State in 1981 before joining the UTEP staff for the first time.

Hoefer and his wife, Kathy, have three children -- married daughter Alison Schupp, and sons Tyler and Bennett -- and three granddaughters, Sydney, Samantha and Sophia Schupp. Bennett graduated from Baylor in the spring of 2007 and earned three letters for the Bears as a free safety, while Tyler graduated from the U.S. Naval Academy and is a first lieutenant in the U.S. Marine Corps.

JOINED BAYLOR: JANUARY 2008

After spending the past eight seasons as an assistant at the University of Nevada, Kim McCloud works with the Bears' secondary.

He coached the Wolf Pack secondary for seven (2000-2003, 2005-07) of his eight years at the Reno-school and spent one season (2004) as the program's wide receivers coach. Nevada enjoyed a remarkable turnaround in its gridiron fortunes his final three seasons, earning three consecutive bowl bids and winning a share of the 2006 Western Athletic Conference title under the direction of head coach Chris Ault.

McCloud coached a pair of All-Western Athletic Conference performers at Nevada, including two-time (2005 and 2006) first-team honoree Joe Garcia, who ranked 14th nationally in interceptions as a senior in 2006. In his lone year as the Wolf Pack wide receivers coach, Nichiren Flowers earned first-team All-WAC honors after a 91-catch campaign that saw him finish second in the conference in both receptions and receiving yards. He also helped coach two of the Wolf Pack's leading tacklers in 2002 and 2003 in cornerbacks Marlon McLaughlin and Chris Handy.

A native of Los Angeles, McCloud began his coaching career as an assistant coach at Kaiser High School in Honolulu. He broke into the college ranks as a graduate assistant on head coach Larry Smith's Missouri staff in 1997 and helped the Tigers earn a Holiday Bowl invitation. In 1998, McCloud joined the University of Idaho's staff as cornerbacks coach where he helped the Vandals capture the Big West Conference title and cap the season with a Humanitarian Bowl victory.

McCloud was a four-year letterman and three-year starter at the University of Hawai'i, where he earned honorable mention All-WAC honors as a defensive back and was named to the 1990 All-WAC Academic Team. At Hawai'i, one of his teammates was Baylor defensive coordinator Brian Norwood. He signed a free agent contract with the NFL's San Diego Chargers in 1991 and played two seasons (1991 and 1992) in the Canadian Football League with the Saskatchewan Roughriders.

An all-city defensive back and wide receiver as a prep at Los Angeles City High School, McCloud received his bachelor's degree in economics and sociology from Hawai'i in 1991. He and his wife, Renee, have two children, Kaleb and Rachel.

Dr. John M. Lilley was unanimously elected the 13th president of Baylor University by the Board of Regents on Nov. 4, 2005, and assumed his alma mater's presidency on Jan. 1, 2006.

A native of Louisiana and the son of a Baptist minister, Dr. Lilley earned three degrees from Baylor in the 1960s. He went on to earn his doctorate from the University of Southern California in 1971. He received a certificate from the Harvard Business School in 1978. The Baylor Alumni Association awarded him its 2005 Distinguished Alumnus Award.

During his term as president, Baylor has been recognized as one of the most productive research universities in the nation by Academic Analytics. The Center for College Affordability & Productivity now ranks Baylor at No. 34 in the nation, and Kiplinger's ranks Baylor among the nation's top 50 "Best Values in Private Colleges" in 2008.

Dr. Lilley also has overseen the growth of Baylor's endowment to $1.1 billion. During 2007-08, Baylor received more than $80 million in gifts and pledges, including $22 million given specifically to its endowment.

New construction or major renovations on campus during Dr. Lilley's presidency include the Brooks Village Residential Community, the Paul L. Foster Success Center, the Lt. Jack Whetsel Jr. Basketball Practice Facility, the Alwin O. and Dorothy Highers Athletics Complex and the Simpson Athletics and Academic Center, the McMullen-Connally Faculty Center and the Immortal Ten Memorial.

Prior to returning to his alma mater, Dr. Lilley served for more than four years as the 14th president of the University of Nevada, Reno. He led that major research and land-grant institution through a comprehensive strategic planning process and presided over an expansion of the institution's external funding and the creation of new research centers and institutes to further its scientific outreach. Through private fundraising and in collaboration with the state government and the student body, he achieved the approval of approximately $400 million in new buildings to the campus.

Before assuming the presidency at Nevada, Reno, Dr. Lilley was the head of Penn State Erie. Over a 21-year period, he led the four-year and graduate campus of The Pennsylvania State University through a period of dramatic growth.

During his tenure, enrollment doubled, admissions standards rose, and the college's physical campus grew from 400 to 750 acres. Under his leadership, the institution created four-year and graduate programs in science, engineering, and business. He presided over the creation of an honors program and secured a $20 million private endowment for its School of Business. He led in the creation of centers for economic development and a 200-acre Knowledge Park on campus, bringing business and industry into close collaboration with the university.

He helped to found the Allegheny Mountain Collegiate Conference for athletics. Penn State Erie's athletics program grew from nine intercollegiate sports to 21 teams in full compliance with Title IX.

In July 2002, Penn State's trustees voted to name the Erie campus' new library in Dr. Lilley's honor. At the same time, he received Penn State Erie's top honor, the Behrend Medallion, for outstanding service to Penn State and the Erie community.

Dr. Lilley began his academic career as a faculty member at The Claremont Colleges in California. In 1976, he was named assistant dean of the College of Arts and Sciences at Kansas State University, where he chaired the college's curricular affairs committee, led a reform of the college's general education requirements, and supervised the student advising program.

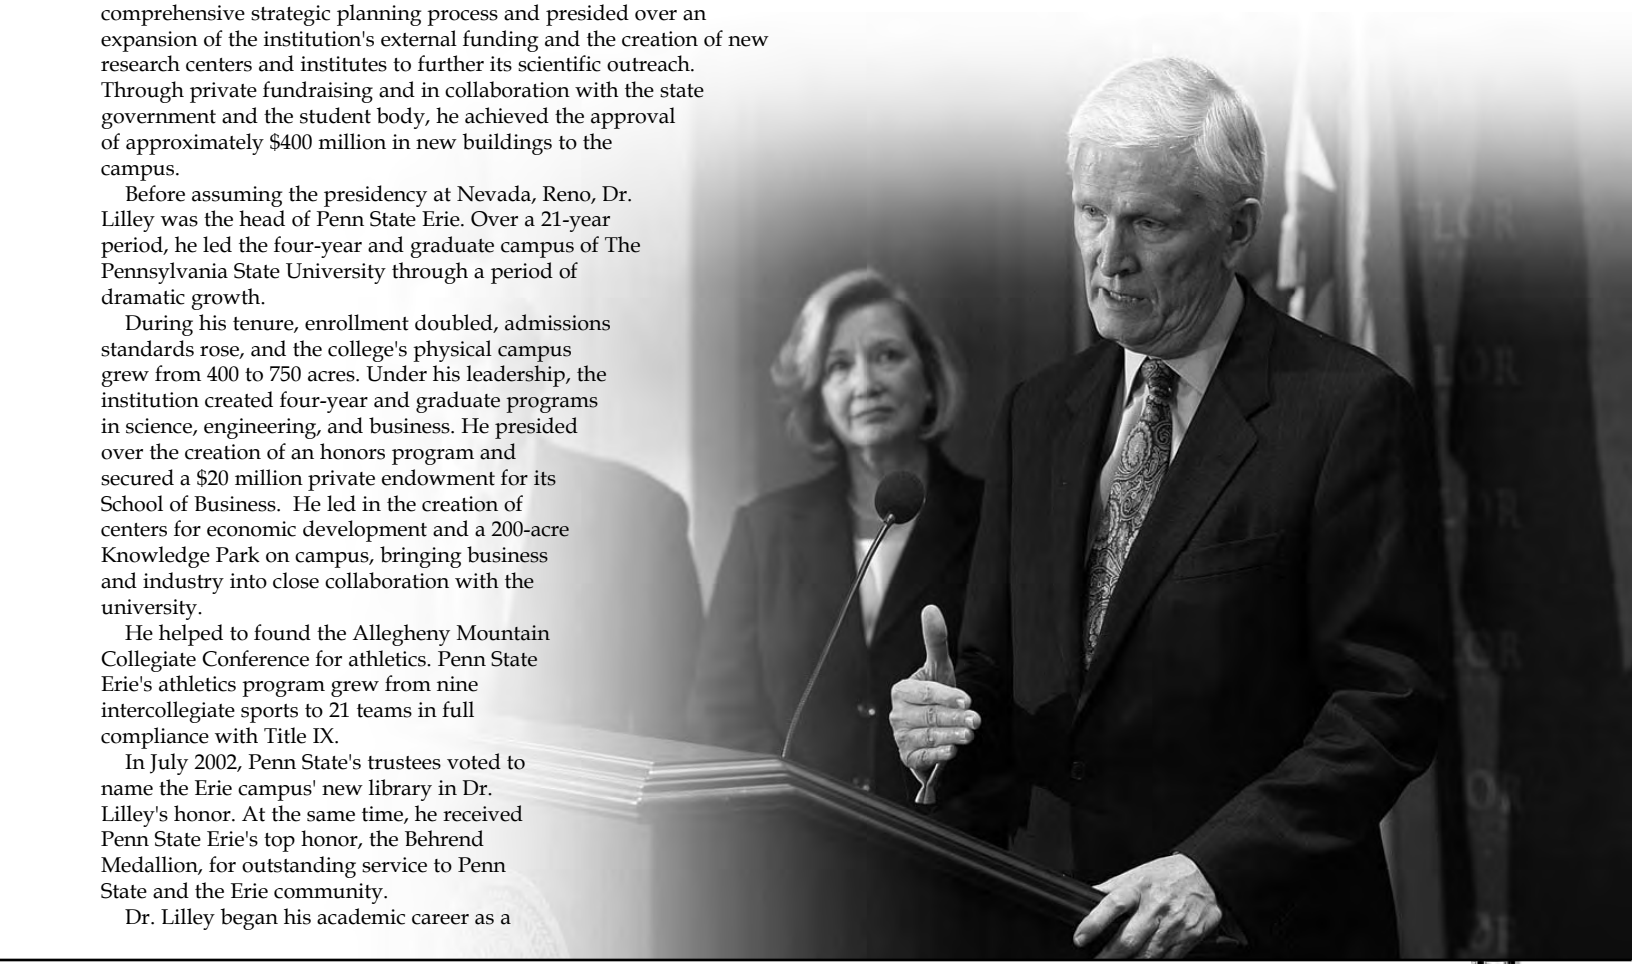
MICHAEL **ROGERS**, J.D.

FACULTY REPRESENTATIVE
TEXAS TECH, 1972



DIRECTOR OF ATHLETICS

IAN McCAW

DIRECTOR OF ATHLETICS
LAURENTIAN, 1985

Ian McCaw was named Director of Athletics of Baylor's 18-sport, Big 12 intercollegiate athletics program Sept. 8, 2003. Under McCaw's leadership, the department has achieved unprecedented academic, athletics and administrative success.

Since 2003, Baylor has enjoyed its most competitively successful period in the history of its intercollegiate athletics program. During that time, Baylor has captured two NCAA national team championships, 20 Big 12 conference championships and recorded its three highest finishes in the NACDA Directors' Cup standings.

Baylor achieved three Top 40 finishes in the NACDA Director's Cup including its highest finish ever in 2004-05 with a 25th-place ranking. A school-record 13 teams advanced to post-season competition in both 2005-06 and 2006-07.

Baylor has also excelled in conference competition consistently finishing in the top half of the Big 12 all-sports standings.

Student-athletes have thrived in the classroom as Baylor led the Big 12 in graduation success rate at 88 percent and four-class graduation rate at 64 percent in 2006-07.

While Baylor Athletics enjoyed extraordinary academic and athletic success, the department has made dramatic strides administratively as well.

A five-year strategic plan for intercollegiate athletics, Above and Beyond, was developed and implemented inclusive of department goals and objectives. An outgrowth of this plan was the creation of the five-year, $90 million development campaign Victory with Integrity which was initiated in February 2005.

Improved athletic development success has followed leading to the funding and completion of the Grant Teaff and Letterwinners Plazas; the Lt. Jack Whetsel Jr. Basketball Practice Facility; and, the Willis Family Equestrian Center. The $34 million Highers Athletics Complex and Simpson Athletics and Academic Center will be completed in the fall of 2008. Since McCaw's arrival, the athletic endowment has grown from $14 to more than $24 million. In each of the last four years, the Baylor Bear Foundation has posted a new record for annual funds raised highlighted by its best year ever in 2007-08.

Baylor successfully completed the NCAA certification process being cited as one of only two institutions in the certification program's history to have no issues raised in its self-study. An expanded compliance staff, improved financial services area and enhanced Student-Athlete Services/Life Skills unit are among the most significant internal improvements.

Record revenues in ticket sales, corporate sponsorship, television, licensing and expanded media exposure underscore the growth in external support for Baylor Athletics.

McCaw is Baylor's 12th athletic director and arrived from the University of Massachusetts, where he spent the previous year as director of athletics. McCaw was responsible for a 23-sport program and helped develop and implement a five-year strategic plan for UMass athletics.

McCaw oversaw a $2 million renovation of the men's and women's basketball and ice hockey locker room facilities at Massachusetts. In McCaw's one season in Amherst, UMass captured three Atlantic 10. The NCAA graduation rate for UMass student-athletes was 71 percent, 12 points higher than that of the school's general student population.

McCaw previously served as director of intercollegiate athletics and campus recreation at Northeastern University from 1997-2002. During his five years at Northeastern, where he implemented a five-year strategic plan for Northeastern athletics inclusive of department goals and objectives.

Northeastern graduated 65 percent of its student-athletes during McCaw's final year at the Boston institution, 14 points higher than the institutional average. Husky student-athletes also gave back to the community, as each team was required to participate in at least one community service project annually. The success of the Northeastern athletic program on McCaw's watch extended beyond the classroom, as the program captured a school-record six America East conference titles in 2001-2002, and five teams finished among the nation's top 20. In all, nine different programs captured at least one conference title during McCaw's tenure and five earned at least one NCAA bid.

A $4 million renovation of Northeastern's Cabot Center, which included a refurbishment of the main gymnasium, an expanded speed, strength and conditioning center, a new sports medicine center, expanded and renovated locker rooms, was also completed under McCaw's direction.

McCaw went to Northeastern from Tulane University, where he served as senior associate athletic director for development and associate athletic director for external affairs from 1992-1997, being named Tulane's co-interim director of athletics in 1996. Prior to his years at Tulane, McCaw worked in a variety of athletic administrative posts at the University of Maine from 1986 to 1992 including sports information, marketing and external affairs.

Recognized as a national leader in intercollegiate athletics, McCaw serves on the NCAA Recruiting Cabinet. He is the chair of the Big 12 championship and awards committee; a member of the television, game management and officiating committees. He also serves on the National Association of Collegiate Director's of Athletics Executive Committee.

McCaw earned his master's degree in sport management from Massachusetts in 1987, after receiving a bachelor's degree in sports administration at Laurentian University in Sudbury, Ontario, in 1985. McCaw and his wife, Heather, are members of First Baptist Church of Woodway where he serves as a deacon. They are the parents of four children: Christy, Paul, Callie and Corinne. McCaw is a member of the Board of Directors of Live Oak Classical School in Waco.

NCAA COMPLIANCE GUIDELINES

Baylor University is committed to absolute compliance with all NCAA and Big 12 Conference rules and regulations. Institutional control of athletics is a fundamental principle of NCAA legislation. It requires each institution to conduct its intercollegiate athletics programs in accordance with the rules and regulations of the NCAA. This responsibility includes ensuring that coaches, staff, and other groups representing the institution's athletics interests comply with all applicable rules.

As a result, it is important for prospects, fans, and alumni to have some understanding of the principles governing college athletics. Below are a few definitions and rules that apply to all athletic boosters.

NCAA DEFINITIONS

REPRESENTATIVE OF ATHLETICS INTERESTS (BOOSTER)

A "representative of athletics interests" (booster) is any individual or group that has ever:

- Been a member of an organization promoting Baylor athletics.
- Contributed to the Athletics Department or its booster organizations.
- Assisted in evaluating or recruiting prospective student-athletes.
- Provided benefits (e.g. employment) to prospective student-athletes, enrolled student-athletes or their family members.
- Otherwise promoted the Baylor athletics program.

Keep in mind that it is very easy to meet one or more of these criteria; once you become an athletics representative, you retain this status FOREVER!

PROSPECTIVE STUDENT-ATHLETE

A "prospect" is a high school student that has started classes for the ninth grade and also any junior college student. A student that has not started classes for the ninth grade becomes a prospect if the student receives any benefits that the institution does not provide to all prospective students in general. An individual remains a prospect until he or she starts classes at Baylor or reports for practice, whichever occurs first.

STUDENT-ATHLETE

A "student-athlete" is a student whose enrollment was solicited by an athletics staff member with the expectation that the student will participate in intercollegiate athletics. A student not solicited by an athletics staff member becomes a student-athlete when he or she joins an intercollegiate team or reports for practice.

RECRUITING

"Recruiting" is any solicitation of a prospect or the prospect's family by an authorized institutional staff member for the purpose of securing the prospect's enrollment at Baylor and participation in athletics. Athletics representatives may not be involved in the recruitment of prospects except as outlined in the following section.

CONTACT

A "contact" is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs.

GUIDELINES FOR EXTRA BENEFITS

An "extra benefit" is any special arrangement by an institutional employee or athletics representative to provide a prospect, a student-athlete or his or her family with a benefit not expressly authorized by the NCAA. Boosters may not provide any special arrangement considered to be an extra benefit. Examples of extra benefits include, but are not limited to:

- Gifts of money, awards or other tangible items.
- Use of vehicles or payment of transportation costs incurred by prospect, prospect's relatives or friends.
- Free or reduced housing arrangements.
- Promise of employment after graduation or employment of prospect's relatives or friends.
- Special discounts or payment arrangements.

GUIDELINES AND REMINDERS FOR BOOSTERS

- A booster may not contact a prospect, prospect's family, friends, coach or school administrator in an attempt to evaluate or recruit the prospect.
- A booster may not expend funds to entertain or provide transportation for a prospect or the prospect's family or friends.
- A booster may not write, make phone calls, or otherwise communicate with a prospect or the prospect's family or friends for recruiting purposes.
- A booster may not contribute funds to a prospect's high school or club team as a form of recruiting inducement or if solicited to do so by a collegiate coach.
- A booster may attend a prospect's athletic events without contacting the prospect or his/her family.
- A booster may send recommendation letters and newspaper clippings about a prospect in their area to Baylor's coaches.
- A booster may continue a pre-existing relationship with a prospect and his/her family as long as the relationship pre-dated the prospect's recruitment or notoriety as an athlete and the nature of the relationship is not enhanced after their notoriety as an athlete. Such a relationship may not be for recruiting purposes.
- A booster may host a current student-athlete or an entire team in their home for a meal, but only on an occasional basis.
- A booster may provide a job for a student-athlete; however, the job responsibilities must be legitimate, and the pay must be commensurate for the task.

RECRUITING GUIDELINES FOR PROSPECTS

LETTERS AND NOTES

Coaches may begin to write notes and letters to prospects beginning September 1 of their junior year in high school (September 15 after sophomore year for men's basketball prospects).

PHONE CALLS

- Prospect Calling: A coach may receive a call initiated by a prospect and paid for by the prospect at any time, including the prospect's freshman or sophomore years. Prospects may call coaches collect or by dialing 800-BAYLORU only after July 1 after their junior year.
- Football: Coaches may call a prospect once in May of their junior year and then begin making regular phone calls September 1 after their junior year. At some times of the year, calls are limited to once per week while at others calls are unlimited.
- Men's Basketball: Coaches may call a prospect once on or after June 15 of his sophomore year until July 31 of his junior year, then two calls beginning August 1 before senior year in high school.
- Women's Basketball: Coaches may call a prospect once in April and once in May of her junior year. Then they may make one call from June 1-20 after junior year and one call June 21-30 of junior year, three calls to a prospect during July following her junior year, and thereafter no more than one call per week.
- Other Sports: Coaches may call a prospect once in March of their junior year, then once per week beginning July 1 after their junior year.

UNOFFICIAL VISITS

There are no limits on the number of unofficial (unpaid) visits to Baylor a prospect may make and no age restriction on who may make unofficial visits. At each unofficial visit, a prospect may receive three (3) complimentary admissions to a home athletic event. No other expenses may be paid by Baylor. At certain times of the year, unofficial visits are prohibited so please coordinate your visit with the coaching staff.

OFFICIAL VISITS

A prospect may only make a total of five official (paid) visits and only one official visit to Baylor. A prospect may not make an official visit until the first day of classes of their senior year (January 1 of junior year for men's basketball prospects). All official visits will be coordinated by the coaching staffs.

2007 REVIEW

GAME RECAPS

No. 22 TCU 27, BAYLOR 0

AMON G. CARTER STADIUM • FORT WORTH, TEXAS
SEPT. 1, 2007 • ATTENDANCE: 35,606

Baylor sustained its first shutout in two seasons and its first in a season opener in nearly two decades as the Bears dropped a 27-0 decision at 22nd-ranked TCU. It marked the second consecutive year in which Baylor lost to a ranked TCU team to open the season.

The Bears were last shutout in a season opener Sept. 1, 1990, a 13-0 loss at seventh-ranked Nebraska. Coincidentally, that was the only other time Baylor has ever played a game on Sept. 1.

Baylor had chances to put points on the board, but a fumble and two special teams miscues helped TCU preserve the shutout. A third special teams misplay setup the Frogs' second touchdown of the day.

After TCU missed a 29-yard field goal attempt on the game's first possession, Baylor faced third-and-10 at the TCU 32. **Blake Szymanski** found **Justin Akers** alone in the center of the field for a 24-yard pass. However, Akers, who appeared to have an unobstructed path to the end zone, fumbled the ball at the TCU 15. While Akers was able to recover the loose ball at the TCU 7, the fumble thwarted what proved to be Baylor's best chance at finding the end zone. Four plays later, **Shea Brewster** missed a 20-yard field goal on his first career attempt and the Bears came away empty after a 14-play, 77-yard drive.

TCU drove to the Baylor 1 on its ensuing possession; however, **Joe Pawelek** forced a fumble on second-and-goal, and **Brandon Stiggers** recovered for the Bears.

Neither team got on the board in the first quarter, but TCU's Justin Watts found the end zone from one yard out on the second quarter's second play.

TCU got a 64-yard Brian Bonner punt return to the Baylor 12 just inside the five-minute mark in the second. Ryan Christian scored around left end on the next play to give the Frogs a 14-0 lead at the half.

Baylor's defense, which held TCU to only 83 yards of offense in the second and third quarters, did not allow a first down in any of the Frogs' first three possessions of the third. However, the Bears' offense could not capitalize.

TCU added a 27-yard Chris Manfredini field goal and a 14-yard Andy Dalton-to-Ervin Dickerson TD pass in the first three minutes of the fourth quarter to put the game away. Manfredini added a 34-yard field goal with 4:50 to play.

NOTES

- The Baylor-TCU series is now tied 49-49-7. This is the most-played series in Baylor football history.
- Baylor has forced at least one turnover in 21 of its last 24 games.
- It was Baylor's first shutout since a 62-0 loss to second-ranked and eventual national champion Texas in 2005. It was Baylor's first shutout on the road since a 41-0 loss at fourth-ranked Texas in 2002.
- It was the first shutout in the Baylor-TCU series since a 24-0 Frogs' victory at Floyd Casey Stadium in 1987.
- Seven Bears made the first starts of their respective careers: OG **James Barnard**, CB **Josh Bell**, DT **Trey Bryant**, OT **Jordan Hearvey**, FS **Jordan Lake**, C **J.D. Walton** and SS **Jeremy Williams**.

BAYLOR 42, RICE 17

FLOYD CASEY STADIUM • WACO, TEXAS
SEPT. 8, 2007 • ATTENDANCE: 29,107

Blake Szymanski established several school records, including 412 yards and six touchdowns passing, as Baylor defeated Rice 42-17. It was the first meeting between Baylor and Rice since 1995, the final season of the Southwest Conference.

Szymanski torched the Owls for 280 yards and four touchdowns in the first half as the Bears built a 28-7 halftime lead. It marked the first time in school that a Baylor quarterback tossed four touchdowns in a half. Szymanski had three first-quarter scoring strikes as Baylor recorded three touchdown passes in the first quarter for the first time in school history.

Baylor took the game's opening kickoff and drove 75 yards on nine plays for a touchdown. On third-and-10, Szymanski found **Justin Akers** from 16 yards out. Szymanski and Akers connected again on a 9-yard touchdown pass as the Bears marched 77 yards on 11 plays on their next possession. After Chase Clement put Rice on the board with an 11-yard touchdown run on the Owls' ensuing drive, Szymanski found Brad Taylor for a 24-yard scoring pass with 4:36 remaining in the first quarter.

Rice missed a field goal on its first drive of the second quarter, and the Bears answered with another touchdown drive. This time, Szymanski went to **Brandon Whitaker** from four yards out with 11:00 remaining in the half.

James Casey cut the Baylor lead in half with a 3-yard touchdown run midway through the third quarter, but Baylor quickly answered. Szymanski connected with **Thomas White** for a 20-yard touchdown pass at the 4:07 mark in the third and then found **Ernest Smith** on a 19-yard fade route with 1:12 remaining in the third.

Rice tacked on a Clark Fangmeier hit a 44-yard field goal with 2:40 to play.

Szymanski finished 29-of-46 passing and also rushed for 10 yards on three carries. He was one yard shy of **Tom Muecke's** school record for total yards in game, collecting 422 yards. Szymanski connected with 12 different receivers.

The Bears tallied 521 yards of total offense, the most by a Baylor team since gaining 546 yards against Samford in 2002.

NOTES

- Baylor leads the all-time series 45-30-2.
- Three different players recorded their first career touchdown receptions: IR **Justin Akers**, WR **Ernest Smith** and IR **Brad Taylor**.
- Szymanski established a Baylor record for passing yards in a half with 280 in the first.
- Baylor's 21-point first quarter tied for the third-highest scoring first quarter and tied for the 14th-highest scoring quarter in Baylor history.
- Baylor scored three touchdowns in the first quarter for the first time since Sept. 21, 2002 against Samford.
- Szymanski's 29 completions tied for the sixth-best single-game performance in school history.

GAME RECAPS

BAYLOR 34, TEXAS STATE 27

FLOYD CASEY STADIUM • WACO, TEXAS
SEPT. 15, 2007 • ATTENDANCE: 36,274

Blake Szymanski became the first quarterback in school history to record consecutive 400-yard passing games and tossed five touchdown passes as Baylor defeated Texas State 34-27 at Floyd Casey Stadium.

One week after establishing Baylor single-game records with 412 yards and six touchdowns passing against Rice, Szymanski was 31-of-51 for 411 yards and five touchdowns with two interceptions against Texas State. He also torched the Bobcats for 205 yards in the first quarter and 246 yards in the first half; his first-half yardage total was the fifth-best single-half and third-best first-half tally in school history.

Szymanski also joined **Shawn Bell** as the only Baylor quarterbacks to complete 30-plus passes in a single game; Bell accomplished the feat five times, while Szymanski's 31 completions against Texas State tied for the third-best total in school history.

Baylor jumped out to a 14-0 lead thanks to first-quarter touchdown passes from Szymanski to **Keegan Vann** and **Jacoby Jones** of 14 yards and 10 yards, respectively. Texas State got on the board with 10:09 remaining in the second quarter when Bradley George connected with Cameron Luke on a 16-yard scoring pass. The Bears answered with Szymanski's third first-half touchdown pass, this one going to **Krys Buerck** from 11 yards out at the 5:14 mark.

However, Texas State refused to go quietly. Alvin Canady scored on a 1-yard run with 47 seconds remaining, and the Bobcats held Baylor scoreless in the third quarter. Former Bear Andrew Ireland pulled Texas State within four points with a 46-yard field goal at the 2:22 mark of the third.

Baylor did not allow Texas State to get any closer, though, outscoring the Bobcats 13-10 in the fourth.

Szymanski connected with **Jay Finley** (24 yards) and **Brad Taylor** (23 yards) for scoring strikes, the last of which came with 2:34 remaining in the game. Again, Texas State battled back, getting a 36-yard Ireland field goal with 5:35 remaining and a 26-yard George-to-Core Hickerson touchdown pass with 1:10 remaining. The Bobcats attempted an onside kick, but Baylor recovered and ran out the clock.

NOTES

- Baylor's passing yardage total (411) ranked second in school history.
- QB **Blake Szymanski** joined **Shawn Bell** (at Texas, vs. Kansas, 2006) as the only Baylor quarterbacks with consecutive 300-yard passing games.
- Szymanski recorded his fourth consecutive game with at least 200 yards passing, tying **Don Trull** for the second-longest streak in Baylor history.
- Szymanski finished with 403 yards of total offense, the fourth-best single-game tally in school history.
- WR **Krys Buerck** made his first career start.

BAYLOR 34, BUFFALO 21

UB STADIUM • BUFFALO, N.Y.
SEPT. 22, 2007 • ATTENDANCE: 22,676

Baylor scored 17 unanswered third-quarter points en route to a 34-21 victory at Buffalo. The victory gave Baylor its first three-game winning streak since the 2005 season.

Blake Szymanski accounted for four touchdowns, throwing three and rushing for another. He became the first player in school history to account for four-plus touchdowns in three consecutive games.

Szymanski saw his streak of four consecutive 200-yard passing games end, but he still tallied 263 yards of total offense with 172 yards passing and 91 yards rushing. His rushing total was the best by a Baylor quarterback since **Odell James** had 92 yards rushing against Kansas State in 1998. Szymanski also became the first Baylor quarterback to lead the team in rushing since **Aaron Karas** accomplished the feat against Southern Illinois in 2001.

The Bears rushed for 229 yards, Baylor's best rushing total since a 280-yard performance against Samford in 2002. Baylor eclipsed 100 yards rushing for only the second time since the start of the 2006 season and topped the 200-yard plateau for the first time since the 2005 season opener (215 at SMU).

The Bears built a 10-0 lead thanks to **Shea Brewster**'s 43-yard, first-quarter field goal and Szymanski's 4-yard touchdown pass to **Justin Akers** with 11:49 remaining in the second quarter. Buffalo got on the board with 3:13 remaining before halftime on James Starks' 1-yard run.

Baylor owned the third-quarter, though, out-gaining the Bulls 160-45 in the period and earning 10 first downs to Buffalo's one. The Bears marched 85 yards on 11 plays to open the quarter, a drive that was capped by a 9-yard Szymanski-to-**Krys Buerck** touchdown pass. Szymanski found Whitaker from two yards out with 2:30 remaining in the quarter, and Brewster's 39-yard field goal with 31 seconds remaining in the period gave Baylor a 27-7 edge.

Buffalo added two fourth-quarter touchdowns, but Szymanski's 39-yard scoring scamper with 3:09 remaining took the wind out of the Bulls' sails.

Jordan Lake produced four turnovers on the night for the Baylor defense, intercepting two passes and forcing two fumbles; Lake also recovered one of the two fumbles he forced.

NOTES

- Baylor snapped a four-game losing streak in road games.
- Baylor improved to 26-40-2 all-time in games east of the Mississippi River, including a 5-1 mark in New York.
- Baylor won its 21st consecutive game when scoring at least 34 points in regulation.
- Baylor tallied more rushing yards (229) than passing yards (172) for the first time since the 2005 game against Texas.
- FS **Jordan Lake** earned Big 12 Conference Defensive Player of the Week honors.
- Lake became the first Bear with four turnovers forced since the NCAA began recognizing fumbles forced as an official statistic in 1992.
- DE **Damien Taylor** and RB **Jay Finley** both made their first career starts.

GAME RECAPS

TEXAS A&M 34, BAYLOR 10

KYLE FIELD • COLLEGE STATION, TEXAS
SEPT. 29, 2007 • ATTENDANCE: 82,970

Baylor was held to seven first downs and out-gained 552-254 as Texas A&M posted a 34-10 victory over the Bears in the Big 12 opener for both teams.

Texas A&M ran 94 offensive plays, the most against a Baylor team since Oklahoma ran 95 plays in a two-overtime game in 2005 and tied for the fourth-most ever run against the Bears. The Aggies used 65 of those plays on the ground, racking up 352 yards rushing.

Despite being dominated offensively most of the game, Baylor remained within striking distance until midway through the fourth quarter.

With the Bears trailing 20-3, **Blake Szymanski** connected with **David Gettis** on a 69-yard post route that gave Baylor a first-and-goal at the Aggies' 3. **Jay Finley** plowed his way into the end zone on the next play, pulling the Bears to within 10 points with 13:44 remaining in the game.

Baylor's defense forced Texas A&M into a three-and-out on the Aggies' ensuing possession; however, the Bears were unable to get any closer, managing just 66 yards on 12 plays over the remainder of the game.

Texas A&M pulled away down the stretch, getting touchdown runs of two yards and five yards from Stephen McGee (5:39) and Jerrod Johnson (1:42), respectively.

Matt Szymanski put Texas A&M on the board first, connecting on a 28-yard field goal with 4:14 to play in the first quarter. Baylor answered with a 46-yard **Caleb Allen** field goal on the opening period's final play.

The Aggies regained the lead with 2:08 remaining before halftime when McGee connected with Mike Goodson on a 58-yard touchdown pass.

Javorski Lane pushed the Aggies' lead to 17-3 with a 1-yard touchdown run at the 10:45 mark in the third, and Matt Szymanski, who also missed three field goals on the day, added a 23-yard field goal with 7:36 remaining in the third.

Blake Szymanski finished the game 12-of-35 for 194 yards and an interception for the Bears; he connected with eight different receivers, but no Bear had more than two catches on the day.

NOTES

- Ninth-largest crowd to ever watch a Baylor football game; largest crowd to ever watch a Baylor-Texas A&M game.
- Baylor was held to its lowest first-down total since Oklahoma held the Bears to six first downs in 2000.
- Texas A&M ran 94 offensive plays, the most against a Baylor team since Oklahoma had 95 plays in a two-overtime game in 2005 and tied for the fourth-most in Baylor history.
- WR **David Gettis** established a career high with 88 yards receiving.
- FS **Jordan Lake** became the first Baylor player to record more than 16 tackles in a game since **Maurice Lane** had 23 tackles against Texas Tech in 2003.

COLORADO 43, BAYLOR 23

FLOYD CASEY STADIUM • WACO, TEXAS
OCT. 6, 2007 • ATTENDANCE: 32, 376

Blake Szymanski's third 400-yard passing effort of the season was not enough to lead Baylor to victory as the Bears fell to Colorado 43-23.

Baylor out-gained Colorado 465-450, but much of the Bears' offense came in the second half when the game was nearly out of reach. Szmanski finished 36-of-60 for 410 yards and a touchdown with two picks, establishing Baylor records for completions and attempts.

Colorado marched 82 yards on seven plays. The drive was keyed by a 27-yard pass on third-and-seven that followed a Colorado delay of game and a timeout on the game's third play from scrimmage. Cody Hawkins' 26-yard touchdown pass to Dusty Sprague capped the drive.

The Buffaloes got a 41-yard Kevin Eberhart field goal late in the first. Colorado pushed its lead to 17-0 with 11:43 remaining in the second quarter when Hawkins connected with Demetrius Sumler from seven yards out.

Baylor finally got on the board at the 7:29 mark of the second on **Shea Brewster**'s 26-yard field goal. After a Sumler 3-yard touchdown run pushed Colorado's lead to 24-3, **Brandon Whitaker** found the end zone on a 2-yard run with 4:04 remaining before the half but the Bears missed the extra point. Two late Eberhart field goals pushed the Buffs' lead to 30-9, including a 54-yarder at the gun.

Eberhart's 42-yard field goal early in the third and Sumler's 2-yard touchdown run with 6:08 remaining in the period gave CU a commanding 40-9 lead.

Szymanski connected with **Justin Akers** for an 18-yard touchdown pass late in the third, and **Jay Finley** added a 4-yard touchdown run with 5:04 remaining in the game. Eberhart's fifth field goal of the night — a 30-yarder — was sandwhiched between the two Baylor scores.

Whitaker finished the night with 11 receptions for 166 yards, both career highs and both single-game Baylor records for a non-receiver. His receptions total tied for the fifth-best single-game total in school history and was one shy of the overall Baylor record.

David Gettis added 225 all-purpose yards, Baylor's best single-game total since **Jerod Douglas**' school-record, 257-yard performance at Oklahoma in 1997.

NOTES

- Colorado's 54-yard field goal to end the first half was the longest against Baylor since SMU's John Stewart made a 55-yarder in 1993 and was the first 50-plus-yard field goal against Baylor since Texas' Kris Stockton made a 50-yarder in 1999.
- Baylor's offensive line did not allow a sack for the second consecutive game.
- RB **Brandon Whitaker** produced Baylor's first 100-yard receiving game since **Dominique Zeigler**'s 180-yard performance against Texas A&M last season.
- WR **David Gettis** established career highs with eight receptions and 99 yards receiving.
- QB **Blake Szymanski** joined **Neal Jeffrey** as the only players in school history with three career 300-yard passing games.
- SS **Brandon Stiggers**' fourth-quarter interception was the first of his career.

GAME RECAPS

No. 20 KANSAS 58, BAYLOR 10

MEMORIAL STADIUM • LAWRENCE, KAN.
OCT. 13, 2007 • ATTENDANCE: 43,556

Baylor committed five turnovers and managed only 10 first downs as the Bears dropped a 58-10 decision at No. 20 Kansas. It was the Bears' seventh consecutive Big 12 loss.

Kansas scored 24 points off Baylor's five turnovers. The Jayhawks also capitalized on several Baylor special teams' mistakes.

Baylor held Kansas to one first down total on the Jayhawks' first two possessions, forcing punts both times. However, **Joe Bennett** muffed the second punt and Kansas recovered at the Bears' 36. Seven plays later, Scott Webb's 27-yard field goal gave Kansas a 3-0 lead.

The Bears answered on their next possession, marching 50 yards on 11 plays for a 25-yard **Caleb Allen** field goal.

Kansas responded quickly, though, as Marcus Herford returned the ensuing kickoff 88 yards for a touchdown. That started a stretch of 38 unanswered points by the Jayhawks, including two touchdowns in a 47-second span late in the second quarter.

The Jayhawks led 31-3 at halftime and pushed their lead to 41-3 before Baylor finally found the end zone. Following Webb's second of three field goals on the day, **David Gettis** had a 97-yard kickoff return for a touchdown with 1:49 remaining in the third quarter. It was the seventh-longest kickoff return in school history and Gettis' first career return touchdown.

However, that was not enough to spark the Bears, who saw Kansas add a Webb field goal, a Kerry Meier touchdown run and an Angus Quigley touchdown run in the fourth quarter.

Baylor was held to season lows in total offense (202 yards) and passing yards (154). The Bears had more return yardage (208) than total offense.

Blake Szymanski, one of three quarterbacks to play for the Bears, finished 18-of-33 for 119 yards, the lowest passing yardage total of his career in a start; he also was intercepted three times.

Brandon Whitaker accounted for nearly half Baylor's offensive total on the day, rushing 12 times for 54 yards and catching seven passes for 45 yards.

NOTES

- Kickoff was delayed 98 minutes due to inclement weather and lightning.
- Game was delayed 32 minutes at the 4:06 mark of the second quarter due to lightning.
- The home team has won all six Baylor-Kansas meetings as Big 12 opponents.
- Kansas' sack midway through the third quarter was the first allowed by Baylor's offensive line in three games, ending a 114-pass streak without allowing a sack.
- WR **David Gettis**' 97-yard kickoff return for a touchdown was Baylor's first since **Shaun Rochon**'s 98-yarder against Oklahoma in 2005.

No. 19 TEXAS 31, BAYLOR 10

FLOYD CASEY STADIUM • WACO, TEXAS
OCT. 20, 2007 • ATTENDANCE: 41,335

Baylor had the ball and trailed by only seven points midway through the fourth quarter; however, two late Texas touchdowns, including Marcus Griffin's 91-yard interception return, allowed the 19th-ranked Longhorns to pull away from the Bears for a 31-10 victory.

Caleb Allen's 35-yard field goal cut Texas' lead to 17-10 with 12:21 remaining in the game. After forcing Texas into a three-and-out, Baylor regained possession at its own 29 with 10:08 to play. However, Texas' Deon Beasley intercepted **Michael Machen**'s third-and-two pass at the Bears' 43. Five plays later, the Longhorns scored on Vondrell McGee's 4-yard run.

Baylor again began driving and had a first-and-10 at the Texas 27 with just under six minutes to play. Griffin thwarted the Bears' comeback hopes, though, stepping in front of Machen's pass and returning it down the right sideline for a touchdown.

Machen, making his first start as a Bear, finished 25-of-44 for 231 yards with three interceptions and one touchdown. **John David Weed** spelled Machen after Griffin's interception return for a touchdown.

Texas took the game's first lead on Ryan Bailey's 46-yard field goal at the 3:31 mark in the first quarter. The Horns had a chance to push their lead to 10-0 midway through the second quarter, but Baylor's defense made an impressive goal-line stand.

After Colt McCoy missed an open receiver in the end zone on third-and-goal from the 1, Texas went for it on fourth down. However, **Brandon Stiggers** got into the UT backfield, disrupted a pitch, picked up the loose ball and returned it 60 yards to the Texas 32. A personal foul face mask penalty on McCoy gave the Bears possession at the Texas 17. On the next play, Machen connected with **Thomas White** on an inside screen; White raced past four Texas defenders and into the end zone to give Baylor a 7-3 lead.

Texas answered quickly, driving 66 yards on five plays for a touchdown on its ensuing possession. The drive was capped by McCoy's 27-yard pass to Nate Jones. The Horns never trailed again, getting a 3-yard Chris Ogbonnaya touchdown run late in the third to build a 17-7 lead.

NOTES

- Baylor's second-quarter touchdown was its first score against Texas at Floyd Casey Stadium since the fourth quarter of the 2001 game.
- Baylor held Texas to its lowest point total in the series since a 30-20 UT victory in 1998.
- Baylor attempted 56 passes on the day, tied for second in school history.
- Machen became the first Bear to pass for at least 200 yards in his first career start since **Aaron Karas**' 331-yard outing against Southern Illinois in 2001.
- IR **Justin Akers** tied his career high with nine receptions, tied for the 16th-best single-game total in school history.

GAME RECAPS

KANSAS STATE 51, BAYLOR 13

SNYDER FAMILY STADIUM • MANHATTAN, KAN.
OCT. 27, 2007 • ATTENDANCE: 45,959

Seven turnovers, five sacks, nine penalties and special teams' mistakes led to Baylor's 51-13 loss at Kansas State as the Bears saw their Big 12 Conference losing streak extend to eight games.

Despite several miscues, Baylor trailed by only 10 points at halftime. **Blake Szymanski**, the Bears' third quarterback of the day, connected with **Thomas White** on a 52-yard touchdown pass with 2:34 remaining in the second quarter. However, **Caleb Allen** missed the ensuing extra point, and Kansas State's lead remained 16-6.

Kansas State put the game away in the third quarter, though. The Wildcats scored three touchdowns in the period, including two in a span of 40 seconds. All three scores in the third quarter were touchdown passes from Josh Freeman, who also had two rushing scores on the day.

Szymanski and White hooked up for a scoring strike again early in the fourth quarter, this time from 37 yards out. However, Kansas State answered with a Freeman 1-yard touchdown run, and Jordy Nelson added a 92-yard punt return for a touchdown with 31 seconds to play in the game.

Szymanski, who connected on each of his first seven pass attempts, finished 15-of-21 for 213 yards and an interception. Starter **Michael Machen** was 5-of-14 for 92 yards and two interceptions.

White tallied four catches for 118 yards, a career high. It was his first career 100-yard receiving game and Baylor's first by a non-back since **Dominique Zeigler**'s 180-yard effort against Texas A&M in 2006. White also recorded the second multiple-touchdown game of his career; he also had two touchdown receptions against Northwestern State in 2006.

The Bears were paced defensively by **Jordan Lake** and **Joe Pawelek**, who had 13 and 12 tackles, respectively.

Baylor missed a pair of golden opportunities on the game's first drive as linebacker **Nick Moore** dropped interceptions on back-to-back plays. The Bears still forced Kansas State to punt on that drive.

The Wildcats cracked the scoreboard with 7:14 remaining in the first quarter on a Freeman 1-yard touchdown run. Brooks Rossman connected on one first-quarter field goal and two second-quarter field goals as Kansas State built a 16-0 lead.

NOTES

- Baylor was penalized nine times for 103 yards, a season high in yardage.
- CB **Antareis Bryan**'s first-quarter interception was the first of his career.
- WR **Thomas White**'s 52-yard, second-quarter touchdown reception was the longest reception of his career.
- QB **Blake Szymanski** recorded his fifth 200-yard passing game of the season.
- DE **Jason Lamb** tied his career high with seven tackles.
- Second straight double-digit tackle game for FS **Jordan Lake**, fourth this season.
- Third straight double-digit tackle game for LB **Joe Pawelek**, fourth this season and fifth of his career.

TEXAS TECH 38, BAYLOR 7

FLOYD CASEY STADIUM • WACO, TEXAS
NOV. 3, 2007 • ATTENDANCE: 39,015

Texas Tech built a 17-0 halftime lead and then pulled away with 21 unanswered third-quarter points in a 38-7 victory over Baylor at Floyd Casey Stadium. It was Texas Tech's 12th consecutive victory over Baylor in the all-time series.

After forcing Tech into a three-and-out on the game's opening possession, Baylor drove 46 yards on 14 plays to the Red Raiders'12. However, on third-and-10, Texas Tech defensive end Brandon Williams sacked Baylor quarterback **Blake Szymanski** and forced a fumble, which was recovered by Williams. Four plays and 40 seconds later, Tech found the end zone on a 37-yard Graham Harrell-to-Eric Morriss touchdown pass.

Aaron Crawford added a 3-yard touchdown run with 65 seconds remaining in the first quarter. It was the first of four touchdowns on the day for Crawford, who found the end zone twice rushing and twice receiving.

That proved to be all the offense Tech would need as the Bears did not have another legitimate scoring opportunity until late in the fourth quarter. Szymanski connected with **Brandon Whitaker** for a 7-yard touchdown pass on fourth-and-goal with 49 seconds remaining in the game. That snapped a 10-quarter, 170-minute, 32-second scoreless streak for Baylor against Texas Tech at Floyd Casey Stadium. In fact, it was Baylor's first offensive score against the Red Raiders in Waco since **Rashad Armstrong**'s 54-yard touchdown run on the second play from scrimmage in the 2003 game, a span of 178 minutes, 30 seconds.

Alex Trlica's 23-yard field goal two seconds before halftime gave Texas Tech a 17-0 lead at the break. After Baylor gained one first down on the opening possession of the second half, Texas Tech's Danny Amendola returned the Bears punt to the Baylor 17. The Red Raiders scored on the next play as Harrell connect with Crawford, who added another touchdown reception and a touchdown run in the third period.

Baylor held Tech scoreless in the fourth quarter, snapping a streak of eight consecutive quarters in which the Red Raiders had scored against the Bears.

NOTES

- Baylor was held scoreless in the first half for the first time since the season opener at TCU. The Bears were held scoreless in the first half at home for the first time since Texas in 2005.
- Baylor's fourth-quarter touchdown broke a streak of 10 consecutive scoreless quarters at home against Texas Tech. The Bears' last score against the Red Raiders was in the first quarter of the 2003 meeting.
- Three Bears made their first career starts: RB **Jacoby Jones**, ROV **Jake La Mar** and FS **Marlon Price**.
- LB **Nick Moore** saw his consecutive games started streak end at 19 games.
- P **Derek Epperson**'s 63-yard, first-quarter punt was the first 60-plus-yard punt of his career.

GAME RECAPS

No. 4 OKLAHOMA 52, BAYLOR 21

GAYLORD FAMILY OKLAHOMA MEMORIAL STADIUM • NORMAN, OKLA.
NOV. 10, 2007 • ATTENDANCE: 84,450

Two redzone turnovers and an Oklahoma kickoff return for a touchdown proved fatal for Baylor in a 52-21 loss.

After the teams traded punts on their first possessions, Baylor drove to the Oklahoma 3 thanks to **Brandon Whitaker**'s 57-yard run. However, **Blake Szymanski** was intercepted in the end zone on the next play, thwarting Baylor's first scoring chance of the game.

The Bears again forced the Sooners to punt and responded with a five-play, 65-yard scoring drive. Whitaker's 46-yard touchdown run capped the drive.

Baylor's lead was short-lived, though, as Oklahoma marched 72 yards on seven plays and scored in 2:28. DeMarco Murray's first of three touchdown runs ended the drive, this one from 25 yards out.

After the Bears went three-and-out on their ensuing possession, Oklahoma quickly took the lead. Sam Bradford connected with Malcolm Kelly for a 51-yard touchdown pass on the Sooners' first play from scrimmage.

Oklahoma pushed its lead to 21-7 with 10:24 remaining in the second quarter. Baylor got back in the game with a 75-yard Szymanski-to-**Thomas White** touchdown pass with 60 seconds to play in the quarter. However, the Sooners again answered quickly as Murray returned the ensuing kickoff 91 yards for a touchdown.

The Sooners scored on the first drive of the second half, but Baylor had a chance to answer. The Bears had second-and-goal at the Oklahoma seven; however, a false start followed by an interception thwarted the drive.

Bradford recorded his third touchdown pass of the game on the ensuing drive, giving Oklahoma a 42-14 lead.

Szymanski again connected with White for a touchdown pass late in the third quarter, this time from 42 yards out. That was the end of the scoring for Baylor, though.

Oklahoma added a 27-yard Garrett Hartley field goal and a Murray 21-yard touchdown run in the fourth quarter.

Whitaker finished with 149 yards rushing on 15 carries, his second career 100-yard game and Baylor's first since the 2005 Texas A&M game. It was the Bears' best rushing performance since **Rashad Armstrong**'s 166-yard tally against Colorado in 2003.

NOTES

- Sixth-largest crowd to ever watch a Baylor game. Largest crowd to ever watch at Baylor-Oklahoma game.
- RB **Brandon Whitaker** eclipsed the 1,000-yard rushing plateau for his career during the first quarter, becoming the 27th player in Baylor history to accomplish the feat.
- Whitaker's rushing total (149 yards) tied for the 23rd-best in Baylor history.
- Whitaker finished with 217 all-purpose yards, the ninth-best single-game total in school history.
- QB **Blake Szymanski**'s 75-yard touchdown pass to **Thomas White** was a career-long play for both players and tied for the 21st-longest pass play in Baylor history.
- LB **Joe Pawelek** failed to record at least six tackles for the first time since the 2006 Oklahoma game, snapping a 10-game streak.

OKLAHOMA STATE 45, BAYLOR 14

FLOYD CASEY STADIUM • WACO, TEXAS
NOV. 17, 2007 • ATTENDANCE: 28,159

Baylor's 2007 season came to an end with a 45-14 loss to Oklahoma State at Floyd Casey Stadium. It was the Bears' 12th consecutive loss in Big 12 play as Baylor finished the season winless in conference play for the first time since 2001.

Oklahoma State tallied 545 yards offense on 72 plays, averaging 7.6 yards per play. The Cowboys got 343 yards on the ground and had two 100-yard rushers.

OSU did not take long to seize the game's first lead. After forcing the Bears into a three-and-out on the game's first possession, the Cowboys gained possession of the ball at the Baylor 41. Two plays later, Seth Newton caught a 30-yard touchdown pass from Zac Robinson. Oklahoma State never relinquished the lead.

Robinson pushed the Cowboys' lead to 14-0 on an 18-yard touchdown run early in the second quarter. Baylor cut the OSU lead in half with 9:17 remaining in the second when **Blake Szymanski** connected with **Thomas White** on a 6-yard touchdown pass. However, the Cowboys answered with a 24-yard Robinson-to-Tommy Devereaux touchdown pass just 71 seconds later. Robinson added a 4-yard touchdown run with 2:46 remaining before halftime.

Szymanski and White connected again 24 seconds before halftime, this time from 28-yards out. It marked White's third multiple-touchdown reception game of the season, becoming the first Bear to accomplish that feat since **Melvin Bonner** in 1992.

The second half belonged to Oklahoma State, though. The Cowboys added a 27-yard Dan Bailey filed goal and a 4-yard Dantrelle Savage touchdown run in the third quarter. Savage found the end zone again with 9:59 to play, this time from two yards out.

Brandon Whitaker produced 131 all-purpose yards, gaining 79 yards on 11 carries and 59 yards on nine receptions. It marked the third game of the season in which Whitaker caught at least nine passes and the fourth such game of his career, both tying **Gerald McNeil**'s school records.

Robinson paced the Oklahoma State offense, going 16-of-21 for 202 yards passing and two touchdowns; he also had 144 yards on 17 carries with two rushing touchdowns. Savage added 109 yards on 16 carries.

NOTES

- WR **Thomas White** moved into second place on Baylor's single-season touchdown receptions list with eight.
- RB **Brandon Whitaker** moved into fifth place on Baylor's single-season receptions list with 58. He also became the first running back in school history with at least 50 receptions in a season.
- FS **Jordan Lake** recorded his sixth double-digit tackle game of the season.
- DE **Leon Freeman** established a career high with eight tackles.

HISTORY

ALL-TIME RESULTS

NOTE: The rankings indicated from 1936 through 2007 in all instances are at game time, based on The Associated Press poll. Baylor's ranking is listed first, the opponent's ranking second. Early season games from 1936 through 1949 have no dash because the first polls in those seasons were not taken until after the season began. From 1936 to 1960 and again from 1968 until 1988, the AP ranked the top 20 teams, from 1961 to 1967 the top 10 and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, was *Football Rankings, College Teams in The Associated Press Poll, 1936-1984,* compiled by Lowell R. Greunke (Jefferson, N.C., McFarland & Co., Inc., 1984).

COLLEGE FOOTBALL HALL OF FAME

MORLEY JENNINGS

HEAD COACH
1973 INDUCTEE

Morley Jennings spent 15 seasons as the Bears' head football coach, compiling a record of 83-60-6 from 1926-40. Ten of Jennings' Baylor teams had winning seasons, including the 1935 squad which went 8-3. From 1937-39 his Bears went 21-8-1. Among the great players he coached were Barton Koch, Sam Boyd, Billy Patterson and Jack Russell.

BARTON KOCH

LINEMAN
1974 INDUCTEE

Barton "Botchey" Koch was considered by every football expert to be the greatest lineman of his era. He played in the days of one-platoon football and was called unstoppable both ways. In his senior season of 1930, Koch made a huge breakthrough for the Southwest Conference by becoming the league's first consensus All-American. He was elected to the Texas Sports Hall of Fame in 1967.

BILL GLASS

OFFENSIVE GUARD
1985 INDUCTEE

Bill Glass was a unanimous consensus All-American guard on one of Baylor's greatest teams. As a senior in 1956, he helped the Bears to a 9-2 record and a 13-7 Sugar Bowl victory over previously undefeated Tennessee. Glass was voted the *Houston Post's* 1956 SWC Most Valuable Player. After a successful NFL playing career, he became one of the nation's most noted evangelists. Glass was a 1987 Texas Sports Hall of Fame inductee.

JAMES RAY SMITH

OFFENSIVE TACKLE
1987 INDUCTEE

James Ray Smith won All-American honors from his tackle spot for the Bears in both 1953 and 1954. His senior year the Bears went 7-4 and played Auburn in the Gator Bowl. After a long career in the NFL, Smith remained active in college football, having served as president of the Cotton Bowl Athletic Association. He was selected as a 2004 Cleveland Browns Legend.

LAWRENCE ELKINS

FLANKER
1993 INDUCTEE

In an era when running was considered the only way to pattern an offense, Baylor flanker Lawrence Elkins turned college football upside-down as the outstanding receiver in coach John Bridgers' pro-style attack. The first two-time consensus All-American (1963-64) in school history still shares Baylor's single-game record for receptions with 12, which he set against Texas in 1963. In 1963, he also established a then-NCAA record with 70 catches for 873 yards and helped the Bears defeat LSU in the Bluebonnet Bowl.

MIKE SINGLETARY

LINEBACKER
1995 INDUCTEE

Singletary was the greatest middle linebacker in his era and arguably Baylor's finest football player ever. A three-time consensus All-SWC pick and two-time unanimous All-American, Singletary also made the 1970-95 All-Quarter Century All-American Team. During his career with the Chicago Bears, he was named All-Pro eight times and won the NFL Man of the Year Award, an honor based on the highest standards of play and community involvement. Inducted into the Texas Sports Hall of Fame in 1995, Singletary received a 2006 NCAA Silver Anniversary Award, and is the only Baylor Bear inducted in both the College (1995) and Pro (1998) Football Halls of Fame.

GRANT TEAFF

HEAD COACH
2001 INDUCTEE

Grant Teaff became Baylor's winningest coach over a 21-year span from 1972 to 1992. He compiled a 128-105-6 record and led the Bears to a pair of Southwest Conference championships and eight bowl games. While posting 12 winning seasons, Teaff also guided six of his Baylor squads to season-ending national rankings. He was selected to the Texas Sports Hall of Fame in 1995 and currently serves as executive director of the American Football Coaches Association.

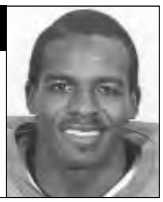
HAYDEN FRY

QUARTERBACK
2003 INDUCTEE

Hayden Fry was a four-year letterwinner at Baylor, quarterbacking the Bears to Top 20 rankings in both 1949 and 1950. He made his most-notable mark on the college football world as a head coach, spending 37 seasons in the Division I-A ranks with stops at SMU, North Texas and Iowa. Fry, who was inducted into the Texas Sports Hall of Fame in 1997, registered 232 victories as a I-A head coach, 142 of which came at the University of Iowa from 1979-98.

THOMAS EVERETT

FREE SAFETY
2006 INDUCTEE



A two-time first-team All-America selection, free safety Thomas Everett earned the 1986 Jim Thorpe Award as the nation's top defensive back. Twice named Southwest Conference Most Valuable Player and first-team all-conference, he was voted the conference's 1986-87 Athlete of the Year. Named to Baylor's 1980s All-Decade Team, Everett was a fourth-round selection of the Pittsburgh Steelers in the 1987 NFL Draft. He played nine seasons in the NFL with the Steelers, Dallas Cowboys and Tampa Bay Buccaneers.
